THE LOVE HYPOTHESIS

Penguin The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

FAR AND BEYON'

Spinifex Press For Mara, mother of four, sole provider for her family, life has never been easy. In a community that relies upon traditional magic to cure AIDS, and blames bad luck upon a bewitching curse, women carry a heavy burden as the world changes around them. But in modern Botswana, the tensions are growing as more and more young people adopt white ways and challenge the heavily divided structure of African society. For Mara, it is her children's dismissal of all the ancient magicks that have held families together for generations; for her son Stan it is the opportunities represented by his white teachers and the education system; and for daughter Mosa it is her burgeoning awareness of the inequality of her home, and community. Together they will develop new strengths and define new goals, enabling them all to triumph and travel 'far and beyond'.

LOVE AND OTHER WORDS

Hachette UK An uplifting and unforgettable read that will make you fall in love with life again . . . 'You can never go wrong with Christina Lauren!' Paige Toon 'A true joy from start to finish' Kristin Harmel Macy is settling into an ambitious if emotionally tepid routine: work hard as a new paediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. But when she runs into Elliot - the first and only love of her life - the careful bubble she's constructed begins to dissolve. Once upon a time, Elliot was Macy's entire world - growing from her gangly teen friend into the man who coaxed her heart open again after the loss of her mother . . . only to break it on the very night he declared his love for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more - spending weekends and lazy summers together reading books and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion. Although their memories are obscured by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy's decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love. MY GIRLFRIEND TEACHES ME RUSSIAN

THE ULTIMATE LANGUAGE GUIDE FOR THOSE WHO DATE A RUSSIAN WOMAN

Createspace Independent Publishing Platform This book is a Russian language survival guide for men who date or are planning to date a Russian woman. Here, you will find numerous phrases and specific vocabulary that you are definitely going to need when communicating with your Russian girlfriend. I didn't imagine this book. I was not looking up at the ceiling thinking about what to write. The content of this book is 100% real-life language examples between my Russian girlfriend and me while living in Saint Petersburg, Russia. I've been growing a list of vocabulary and phrases since the very first moment I met my girlfriend here in Saint Petersburg. Whenever she would say something that I found interesting or something that I didn't know, I would jot it down. I included tender or beautiful words, romantic phrases, slang, colloquial expressions ... everything! To compile this book, I also went through all our written communications-text messages, Whatsapp, Viber, VKontakte, and Facebook. Please note that I was growing these vocabulary lists for myself. The idea of writing the book came afterwards. So, the communication was not influenced by the fact that I would be writing a book about it later. Besides a huge list of phrases, this is what you'll get in this book: - Additional grammar notes and word associations (imperfective and perfective verbs, grammar cases, similar grammar structures, associated vocabulary) - Tips on how to behave with a Russian woman - Tips on how to approach and meet a Russian woman on the street - Important elements of the Russian culture

THE SOUND OF SALVATION

It's easier to control tears than fear. It's easier to suffer in silence than ask for help. It's easier to be loved than to love. Nadia has a past. A messy past full of grief, suffering, and regret. Broken and fragile, she's scared to share her secrets and struggles to move on. Until he comes along. A handsome face; an athletic build; the strength he emanates. He's everything she needs to regain control of her emotions. He's the flicker of light at the end of a dark tunnel. But she refuses to take advantage of what he offers, too scared it'll backfire. Thomas carries a burden. A heavy burden that left him numb. He hides behind the mask of a playboy, refusing to feel, convinced that fate made a mistake and his job is to fix it. In his orderly world, there's no place for joy and happiness. Until she comes along. A beautiful face; a petite body; a sea of sadness in her eyes. She flips his world upside down with one look, and maybe - just maybe, there is a reason why he's still breathing. Except she's his best friend's off-limits little sister and if he touches her, she might just be the reason he stops breathing. ★★★★★ "This book is an emotional roller coaster let me put that out there first, but in the best way. I was hooked from the first few pages and couldn't put this book down." -S. Red ★★★★★ "Their love is forbidden and hard-fought, and I kept wanting more and more..." -Ange ★★★★★ "I'm not even sure where to start! The slow burn that builds up to their relationship made the story so incredible!" -Narissa

LOOKING AFTER LARRY

A WORLD WAR II STORY

Trafford Publishing A lot of what you read about soldiers and war is either untrue, derogatory, exaggerated, or boring take your pick. This book is different from typical military fiction because of the irreverent slant that I have used as your author. I feature bad commissioned officers from West Point and good noncommissioned enlisted men and the struggles that they face whenever they are trying to communicate. My primary protagonist is Sergeant James Homer Hounshell of Jackson, Kentucky, my maternal uncle. My secondary protagonist is Larry Wetzlen (PA) who was injured by a friendly fire and a victim of battle fatigue. Jimmy becomes his nurse for the duration and the storyline is looking after Larry. The antagonist is Second Lieutenant Oscar Karo from Georgia, a man who goes out of his way to make pain for James Homer. Their feud started during basic training and continued until 1945. I'll take you through the major campaigns of WWII, his mysterious death just two days before the final conflict at Magdeburg, his burial at Margraten, and his love affairs. How the mystery of his murder is solved is a very unusual and interesting part. I hope that you enjoy my book.

THE MUSE

A NON SENSE NEED OF ILLUSIONS

Adrian G Dumitru The Muse. A non sense need of illusions. We are looking for inspiration all around ... till we find out that the inspiration is just not coming. We look all around. We are looking for

something or someone that can give us a great vibe ... everyday. And one day ... we believe we found that we are looking for. She ... is the Muse. All great people from history, great artists, politicians, leaders, writers, poets, businessmen ... all of them, at one point ... they had an amazing muse that inspired them at a great dream. The muse gave them the confidence of believing in themselves and they always thought that the inspiration came from that person. But inspiration is actually coming from the Universe, and represent the connection between us and Divinity. The muse is not ... the Divinity ... but maybe being in such a story, we understand how we can connect to the Infinite. But can we, the ordinary people, learn to connect to then Universe, just as a monk does it ... without any love story?! Can we find this power in ourselves ... to find that greatness without the help of a loved muse?! What is her sense?! Is she the one that reveals the beauty and the huge powers locked in our spirits?! Can the secret of greatness comes just by having a love story ... or we should start studying how a monk is using his powers to understand the laws of the Universe, just by connecting to himself ... and then to the Infinite?! A muse looks like a non sense illusion. But ... all great people used the trick to connect to the Universe this way. Maybe ... the need of a muse is just a preliminary stage before you understand that in fact everything is in yourself. The muse is only the one that is whispering you the great secret about yourself ... that you are an amazing human being and that you can be ... whoever you dream to be. The muse is indeed an illusion ... a beautiful one ... but one day you will just understand that everything you need is already in yourself. The real non sense that you should analyze ... and focus a lot on it ... is why we don't believe in ourselves?! ... and why we need this adorable person to whisper beautiful words to us ... when we can think as a monk?! Just think about it!

In April, she poses as girlfriend to philandering Mason Murphy, a professional baseball player who needs a better image, only to find he's not at all what she expected. May finds Mia turning up the heat with Samoan model and fire-dancer Tai Niko as she participates in a swimsuit campaign designed to prove that beauty really does come in all sizes. Mia rounds out June as the arm candy for Warren Shipley, a member of the wealthy one percenters. Although she's pretending to be a gold-digger, Warren turns out to have a heart of gold. However, his devastatingly handsome son, Aaron, a California Senator, is nowhere near as kind.

LONE STAR NIGHTS

Tule Publishing She's no one's second choice ... Slater Highwater had his own reasons for coming home to Last Stand, Texas. And if anyone wants to know why a guy with a philosophy degree from an Ivy League school was now running the historic Last Stand Saloon, he has a stack of ready answers, none of which are completely true. But Joey Douglas never asked that question. Perhaps because she and Slater are always carrying on conversations no one else can follow. Or perhaps because she suspects she knows why he came home - her glamorous and calculating older sister broke his heart. Joey has longed for Slater since she first laid eyes on him, but her sister will always be an insurmountable barrier between them. Sure she and Slater click intellectually and sparks ignite whenever they're in the same room, but Joey will never, ever settle for being Slater's consolation prize no matter how much she loves him. Can Joey step out of her sister's shadow? Can Slater convince Joey she's his true soul mate?
