### **I WAS BORN 2 WIN**

---

I Was Born 2 Win especially targets people who have lost their way and want to lead a more meaningful life. It also reaches out to those who feel defeated and are depressed. Author Blackstone is spontaneous and transparent, colloquial, and engaging as she shares her own experiences and challenges. Her exuberant faith is contagious, and her homespun approach makes it easy for seekers to relate to and let their barriers down. As you read this book, you will begin to understand that God is able to take your nothing and make you something. He will show you that, no matter what you go through, by His grace and mercy, you can be a winner. God did not create you to be a failure. He is ready to show you how to turn around and be the person you were created to be. If you're stuck in a rut or heading the wrong way, know that it is not too late for you. This book is designed to let you know God still has His hands on you.

---

Born to Win is the classic story of the underdog winning and John Bertrand s psychological warfare, describing in detail the thrills and battles of Australia II s historic 1983 America s Cup win. But if you think this book is just about sailing, think again. It s a book about life, love, and the triumph of the human spirit. First published in 1985 and going on to sell more than 100,000 copies worldwide, this is the fully updated and revised edition, including Bertrand s life post the America s Cup. It hasn t always been smooth sailing, but it s an inspiring tale of courage, fortitude and commitment from a born leader and entrepreneur.

Gypsy Shadow Publishing Many centuries in the past, a fraction of humanity left the Solar System to settle in their new home forming a united empire, the Federation. The accidental finding, by Firl and his friends, of an alien digging on one of the Federation settlements, led to the discovery of altered human genetic material in a number of people visiting the site. Soon Federation is torn apart by political and personal turmoil caused by the friction arising between the affected and the non-affected. The affected split to form the Elites, eager to find out about their alien heritage; and the Morphiks, keen to embark on their own evolution. Eventually Federation breaks up and in its place three separate empires form, populated by the three races.

**AN HISTORICAL COMPENDIUM OF PITCHING, PITCHERS, AND PITCHES**

---

Simon and Schuster Pitchers, the pitches they throw, and how they throw them -- these days it's the stuff of constant scrutiny, but there's never been anything like a comprehensive source for such information. That's what preeminent baseball analyst Bill James and ESPN.com baseball columnist Rob Neyer realized over lunch more than a dozen years ago. Since then, they've been compiling the centerpiece of this book, the "Pitcher Census," which lists specific information for nearly two thousand pitchers, ranging throughout the history of professional baseball. The Guide also offers: A "dictionary" describing virtually every known pitch The origins and development of baseball's most important pitches Top ten lists: best fastballs, best spitballs, and everything in between Biographies of some of the great pitchers who have been overlooked More knuckleballers and submariners than you ever thought existed An open debate concerning pitcher abuse and durability A formula for predicting the Cy Young Award winner Something fresh and new: Bill James' "Pitcher Codes" The Neyer/James Guide to Pitchers is about understanding pitchers, and baseball's action always starts with the pitchers. It's also about entertaining debates and having a great deal of fun with the history of a game that obsesses so many.

**A ROSTER OF PROFESSIONAL PLAYERS WHO DIED IN SERVICE**

---

McFarland While most fans know that baseball stars Ted Williams, Hank Greenberg, and Bob Feller served in the military during World War II, few can name the two major leaguers who died in action. (They were catcher Harry O'Neill and outfielder Elmer Gedeon.) Far fewer still are aware that another 125 minor league players also lost their lives during the war. This book draws on extensive research and interviews to bring their personal lives, baseball careers, and wartime service to light.
