Bibliographic Guide to Maps and Atlases

The Map Catalog

Every Kind of Map and Chart on Earth and Even Some Above it

Random House (NY) This unique sourcebook for map lovers is newly revised in a third edition that includes more maps than ever before. In addition to a profusion of road maps, aerial maps, geological maps, historical maps, weather maps, nautical maps, military

maps, census maps, and astronomical maps, this third revised edition contains: -- the most current maps of Russia and Eastern Europe; -- a new section on the age of exploration; -- the most up-to-date information about map software; -- a completely new section on how to have a professional map made; -- the latest information about the new generation of maps based on the 1990 census. Whether you want maps of airports or zip codes, highways, hurricanes, or hidden treasure, The Map Catalog is the book for you. "From the Trade Paperback edition.

Backroad Mapbook, Thompson Okanagan, BC

Mussio Ventures A complete road and recreation atlas for the Okanagan/Kamloops/Thompson River area of British Columbia, an area of the province with extensive wilderness for outdoor recreation. It includes 54 detailed colour recreational GPS-compatible topographical relief maps that include backroads, logging roads, trails, parks, and the locations of campsites and outdoor recreational opportunities. The book also includes information on hiking, mountain biking, horseback riding, and ATVing trails; lake and river paddling; fishing lakes and rivers; backroads; provincial parks; forest recreation sites; natural attractions; wildlife viewing areas; cross-country and backcountry skiing; snowshoeing and snowmobiling areas; and more.

Prague and the Czech Republic

Includes pull-out map attached to inside back cover.

A Field Guide to the Geology of Sudbury, Ontario

Reminiscence Theatre

Making Theatre from Memories

Jessica Kingsley Publishers This book is a comprehensive guide to the nature, practice and therapeutic effects of reminiscence theatre. Drawing on examples from real-life case studies, Pam Schweitzer provides practical advice on the process of taking an oral history, creating from it a written script and developing that into a dramatic production, on whatever scale.

National Geographic Guide to the National Parks of Canada

National Geographic Books This completely updated guidebook shows you how to make the most out of your visit to Canada's 47 gorgeous national parks, just in time for Canada's 150th birthday-from Cape Breton Highlands to Banff to Pacific Rim National Park Preserve, plus the five newest additions- NBBTs'ihch'oh National Park Reserve, Mealy Mountains, Rouge Urban, Qausuittuq, and Sable Island National Park Reserve of Canada. Written by national park experts who know the parks inside out, chock-full of handy, practical information, and beautifully illustrated with stunning photography and one-of-a-kind maps prepared by National Geographic cartographers specifically for this book, this edition takes you step-by-step to the must-sees of each park, and lesser known places as well, making sure you don't miss a thing. Detailed guidance highlights the best spots for wildlife watching, favorite places for kayaking, swimming, camping, hiking, and other activities, as well as such nuts-and-bolts information as how to get to each park, the best seasons, where to stay, and much more. This is the only guide you'll need on your next foray into Canada's splendid parks.

DK Eyewitness Pocket Map and Guide New York City

The compact format - about the size of a mobile phone - means you can slip it in your pocket on a day trip or short stay in this cosmopolitan city. The guide is packed with ideas for things to do in in New York City, from strolling through elegant Manhattan to viewing the city's iconic skyline from the Statue of Liberty or the Empire State Building. Concise descriptions and practical information for the top sights in each neighbourhood are complemented with vivid photography and illustrations, plus tips on where to eat, drink and shop. The sturdy pull-out map shows New York City in detail, and includes a Subway map. On a longer break? Try our DK Eyewitness Travel Guide New York City for a more in-depth guide to the city. About DK Eyewitness Travel-DK's highly visual Eyewitness guides show you what others only tell you, with easy-to-read maps, tips and tours to inform and enrich your holiday. DK is the world's leading illustrated reference publisher, producing beautifully designed books for adults and children in over 120 countries.

Camps and Cruises of an Ornithologist

READ BOOKS PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend- ent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream- fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

Seaside Walks on Vancouver Island

Rocky Mountain Books Ltd This is the perfect book for those who love to explore the seashore but also love walking through forests and seaside meadows. Whether discovering inviting stretches of sandy beach, hiking along rugged cliffs or strolling through quiet estuaries, visitors to these trails will usually be far away from the crowds who chose to drive directly to the more popular, touristy beaches. Each of the walks in this book is accompanied by a colourful, easy-to-follow map and step by step descriptions of what to expect. By scanning through the clearly presented information, walkers can select an easy, level route suitable for all abilities, or a challenging wilderness trail perfect for the more adventurous. In addition they can look at the full-colour photographs accompanying each description in order to choose the most enticing outing. A large-scale planning map of Vancouver Island makes driving strategies easy, whether to the relatively sheltered east coast or the wild and rugged west coast. Complete with full-colour photos and maps, Seaside Walks on Vancouver Island is the only book of its kind and it will serve locals and tourists alike as an invaluable guide for lovers of both lush, coastal forests and ocean shores.

The 50 Greatest Walks of the World

Icon Books Ltd Barry Stone, author of 1001 Walks You Must Experience Before You Die, delves into some of the lesser-known aspects of the world's most famous - and not-quite-famous-yet - trails. The perfect accompaniment to practical guidebooks, Stone relates how slings and carabiners kept him from falling headlong off the Sydney Harbour Bridge, and reports on the progress of the continental-

wide monster, the Trans Canada Trail, gaps in which are still being filled by countless grass-roots communities. With walks that will appeal to everyone regardless of ability, The 50 Greatest Walks of the World includes British classics such as the Pennine Way, Offa's Dyke Path, and the Old Man of Hoy as well as personal favourites such as Italy's Cinque Terre Classic and the Isle of Skye's Trotternish Ridge, one of Britain's finest ridge traverses with almost 2,500m of ascents. Whether it's a climb, a stroll, or a life-changing slog, this book has the walk for you.

Lonely Planet Canada's Best Trips

Lonely Planet Discover the freedom of the open road with Lonely Planet's Canada's Best Trips. Featuring amazing road trips, plus up-to-date advice on the destinations you'll visit along the way. Tour the Sea to Sky Highway, the country's stunning coastline and the Cabot Trail- all with your trusted travel companion.

The Nova Scotia Atlas

Province of Nova Scotia

Formac Publishing Company This sixth edition of the Nova Scotia Atlas provides in-depth coverage of the entire province unavailable anywhere else. The maps include numbered and colour-coded highways with exit numbers, hiking trails and national parks. There are details such as power lines, ferry routes, hospitals and communication towers. Airports, helipads and landing strips are mapped. Also included are all provincial parks (campgrounds, picnic sites, boat launches), with a text description of each. The maps clearly show physical features, including rivers, lakes, hills, islands, marshes and beaches. The revisions in this new edition include all new highway construction completed in the past five years, three new wilderness areas and six new nature reserves. Waterfalls are now shown, and Crown land information has been extensively updated. All paved and unpaved roads (longer than 200 m) are included, as are a myriad of protected areas including game sanctuaries, wilderness and wildlife management areas. County and municipal boundaries are shown.

Atlas A-Z

Dk Pub A compact, timely cartographic reference of the world provides more than 6,500 cross-referenced geographical names and sixty clearly labeled maps, with a Country Factfile incorporating up-to-date information on nearly two hundred nations. Original.

Popular Day Hikes 4

Vancouver Island

Rocky Mountain Books Ltd Popular Day Hikes is a series of books written for visitors and locals looking to hike scenic trails from well-established staging areas. These factual, attractive guides feature detailed maps and colour photographs to whet the appetite. Famed worldwide for its natural beauty, Vancouver Island is blessed with towering mountains, thundering waterfalls and rich forests. Many of the most beautiful parts of the island, however, can be enjoyed only by those who explore its wilderness trails. This unique and colourful guidebook sorts through all of various possibilities and selects for the reader the very best day hikes. Ranging from 6 km to 25 km and from easy to challenging, these hikes are all accessible from generally reliable roads. In addition, each hike is accompanied by a clear, colourful map, step by step directions and full-colour photographs. Dotted around central and southern Vancouver Island, these hikes are varied in the opportunities they give for multi-season adventures. While some lead to spectacular peaks and alpine meadows accessible only during the summer, many others take the hiker along low ridges or past rivers and lakes accessible throughout most of the year.

Hiking the West Coast of Vancouver Island

An Updated and Comprehensive Trail Guide

Greystone Books The rugged west coast of Vancouver Island offers some of the most spectacular and storied hiking in the Pacific Northwest. Home to the world-famous West Coast Trail, once a lifeline for marooned sailors and still among the most breath-taking yet demanding hikes on the continent, the island's western shores also feature lesser-known coastal trails for all abilities. From the tidal

pools and pocket beaches of the Juan de Fuca Marine Trail to the craggy surf-swept shores of Shushartie Bay and the North Coast Trail, the ten areas covered in this volume will give you a taste of the region's best hiking terrain. This third, fully updated and expanded edition, delivers the detailed trail descriptions, insider tips and clear two-colour maps that hikers have come to rely on plus two entirely new sections on the wild and challenging North Coast Trail extension from Cape Scott and the remote and rarely visited Tatchu coastal hike on the Rugged Peninsula. Less-experienced hikers may enjoy the Juan de Fuca Trail, a southern extension of the West Coast Trail from Port Renfrew to Jordan River, or the trails through the stunning old-growth forest of Carmanah-Walbran Provincial Park. For day trippers, there's the Wild Pacific Trail, a northern extension of the West Coast Trail that begins in Ucluelet and heads north over headlands and white sand beaches toward Long Beach and Tofino. And for those who prefer more remote hiking, the northern part of the island offers the rugged Nootka Trail, described by Backpacker magazine as a wild, historic and beautiful trail, or the boardwalk at Cape Scott, where black bears share the windswept beaches with kayakers and the ghosts of shipwrecked crews. From planning the trip, to getting to and from the trailheads, to choosing the most scenic campsites, this is an indispensable guide for the thousands of hikers who use the West Coast Trail each year and for those who will want to use its alternatives.

DK Eyewitness Canada

Dorling Kindersley Ltd Vast, vibrant and breathtakingly beautiful - welcome to Canada. Try out DK Eyewitness Top 10 guides to Toronto, Vancouver and Vancouver Island and Montreal and Quebec City.

Banff, Jasper and Glacier National Parks

Lonely Planet Lonely Planet expands its national parks series with a new guide to the jewels of the Canadian Rockies, Banff and Jasper National Parks. The book offers advice on the best sights, hikes, campgrounds and more. Packed with outdoor activities and places to stay and eat, the national parks guides help everyone-from road-tripping families to serious outdoor enthusiasts-plan and enjoy an unforgettable vacation. Banff, Glacier & Jasper National Parks explores regions of spectacular beauty with some of the world's best scenery, climbing, hiking and skiing. The parks offer jagged, snowcapped mountains, peaceful valleys, rushing rivers, natural hot springs, alpine forests and pristine lakes. With abundant wildlife, a wealth of activity options and the amenities of resort towns like Banff and Lake Louise, these parks are truly national treasures, and this guide will help travellers make the most of their visit.

Delorme Atlas & Gazetteer Oregon

1001 Walks

You must experience before you die

Hachette UK 1001 Walks You Must Experience Before You Die features wide-ranging, carefully chosen routes varying from the rugged delights of the Pembrokeshire Coastal Path to the wilderness of Jamaica, and the Harz Witches' Trail high up in the German mountains. The hand-picked excursions take in mountain passes, woodland paths, ancient Native-American trails, and much more. There are easy walks for beginners-some lasting barely an hour - and more demanding challenges that may take several weeks to complete. Every fact-packed entry provides a wealth of information about a must-try walk, including essential details about its start and finish points, overall distance, difficulty rating, maps, and the time it should take to complete. In short, 1001 Walks You Must Experience Before You Die is an essential reference book and guide for all those who love to get out of their cars, get off their bikes, and lace up their walking shoes.

Polders of the World: Late papers

National Geographic Guide to National Parks of the United States 9th Edition

There's simply no better getaway in the United States than a visit to one of the country's 62 national parks from Alaska to the Virgin Islands, from Maine to America Samoa. Profiled in this all-new ninth edition of National Geographic's enduring and informative guide, you'll find expert travel advice, candid tips for hiking and wildlife spotting, and detailed maps to help navigate your way through America's great outdoors. Updated throughout with the latest information from park rangers and National Geographic's own acclaimed travel writers, this fully revised and comprehensive guidebook includes the newest additions to the United States park system-Indiana Dunes, White Sands, and Gateway Arch national parks. Whether you're looking to explore the underground world of Mammoth Caves or make your way through the mangroves of Everglades National Park, you'll find a destination that suits your needs, and inspiration to plan your next wild adventure. In addition to park details and descriptions, this sparkling new edition features week-long regional road trip itineraries so you can visit multiple parks in one vacation. Filled with more than 300 dazzling photographs and 80 full-color maps, this inspiring book reveals the best the United States has to offer-right in its own backyard.

Along Interstate-75, 20th Edition

The Must Have Guide for Your Drive to and from Florida

Along Interstate-75, from Detroit to the Florida Border. Interstate-75 is the main route for the millions of Midwestern "snowbirds" who drive to and from Florida each winter . . . and the current edition of Along I-75 is the "must have" guide for the trip. Whether a first-timer or one who has driven the route for many years, the book is packed with local information along the way, a culmination of more than 50 years of the author's Florida-bound I-75 driving experience. Getting there is half the fun--Local knowledge, "Insider" and Money Saving tips, lodging & restaurant recommendations and mile-by-mile roadside stories and entertainment. Each of the book's 25

mile-per-page colored strip-maps takes an average of 30 minutes to drive, providing a sense of pacing for your trip - excellent for planning your night stops while on the route. The two sets of custom-designed maps (south and northbound) are intuitive and very easy to use - even for non-map readers. Each "fits" your direction of travel so landmarks and features drawn on the right side of the map, pass on the right side of your car. Designed with in-car use in mind, the book has a laminated wrap-around cover and book mark flap. A concealed plastic spiral binding allows the book to be easily folded back to display the current road-section map. Completely updated every odd numbered year, Along I-75 contains no advertising or commercial content. Each current edition of the book has a "reader's only" website where major updates to the book's information are posted. Also includes updated and downloadable replacement maps and pages for the book. The book features: 78 colored 25 mile road strip maps (39 for each direction of travel) 106 colored maps (side-trips and towns) and 196 colored photos 67 b&w maps and photos 105 charts and diagrams 72 restaurant and money-saving tips 24 Special Interest reports

Geoscience Reporting Guidelines

The Schooner Maggie B.

A Southern Ocean Circumnavigation

National Geographic Concise Atlas of the World

National Geographic Books With more than 470 maps and graphics, this atlas delivers award-winning cartography with superbly designed and amazingly informative maps and graphics providing accurate coverage of the whole world. Including introductory sections for each continent and the flags and country facts at the end of each continental section, this atlas features stunning satellite images that portray unique physical geography and highlights the sprawling extent of major cities.

Jeff Wall

Jeff Wall publication by Glenstone Museum includes high resolution photos of all the works in the 2021 exhibition, list of works Wall's works in Glenstone's collection, an introduction by Emily Wei Rales, and an essay by Barry Schwabsky.

Trails of Prince Edward Island

Goose Lane Editions This new guide features more than 50 trails for hiking and cycling on Prince Edward Island, Canada's own emerald isle, included in the book are new trails in Prince Edward Island National Park and the just-completed Confederation Trail, the final (or initial, depending on which way you're facing!) leg of the Trans-Canada Trail. Michael Haynes hiked and mapped each trail and provides detailed maps, trail descriptions, and GPS coordinates, as well as information on time, length, difficulty, and facilities available on each route. He also includes photographs, charts, tips for hikers and cyclists, and sidebars on historical, cultural, and natural subjects. Whether you're planning a months-long trek from one coast of Canada to the other, or a picnic on the beach within view of a lighthouse, Trails of Prince Edward Island is the hiker's best companion, an authoritative and entertaining guide to this gem of Confederation.

Rand McNally 2021 Compact Road Atlas

Other Features Mileage chart showing distances between 77 North American cities and national parks. Product Details Perfect Bound 160 pages Dimensions: 4.375" x 10.75"

Master Atlas of Greater London

Vancouver Book of Everything

Everything You Wanted to Know About Vancouver and Were Going to Ask Anyway

Nimbus+ORM The go-to book on Canada's west coast gem—from affordable activities to crime and punishment, slang to weather, people to politics, and much more. From “Gassy” Jack Deighton and the Klondike Gold Rush to the Chinese Head Tax to Japanese Internment, the Strathcona Protest, Vancouver Canucks and the 2010 Olympic Winter Games to profiles of the original “Dominic Da Vinci,” Larry Campbell, famed author Douglas Coupland, and environmentalist David Suzuki, no book is more comprehensive than the Vancouver Book of Everything. No book is more fun. Well-known Vancouverites weigh in on every aspect of their beloved city. Historian Chuck Davis gives us his top five events that shaped its history; author Jen Sookfong Lee gives us her top five best things about living in Vancouver; Vancouver Sun restaurant critic Mia Stainsby gives us the city's top five cheap eats and Global TV's meteorologist, Mark Madryga, offers up his top five Vancouver weather events. From the city's First People and infamous weather to its slang, heinous crimes, and the ubiquitous Japa dog, it's all here. Whether you are a lifelong resident or visiting for the first time, there is no better resource about the city of Vancouver, you'll love the Vancouver Book of Everything. “Even born-and-bred Vancouverites will doubtless find something of interest in the Vancouver Book of Everything.” —The Westender “The book combines tourist elements . . . with facts that even seasoned Vancouverites may not know.” —Miss604 “When your friends start asking questions about the city, hand them the Vancouver Book of Everything.” —Vancouver Sun
