**Colossians and Philemon An Introduction and Commentary** [InterVarsity Press](#) In Colossians, Paul presents Christ as "the firstborn over all creation," and appeals to his readers to seek a maturity found only in Christ. In Philemon, Paul appeals to a fellow believer to receive a runaway slave in love and forgiveness. In this volume N. T. Wright offers comment on both of these important books. **Colossians and Philemon An Introduction and Commentary** [InterVarsity Press](#) In this Tyndale commentary on the books of Colossians and Philemon, Alan Thompson shows how these books unpack and apply the beauty of the gospel of God's grace, pointing to the hope we have in Christ's supremacy and the difference that the gospel makes in the delicate context of Onesimus's departure from Philemon. **The Epistles of Paul to the Colossians and to Philemon An Introduction and Commentary** [Wm. B. Eerdmans Publishing](#) Wright's work on the Books of Colossians and Philemon constitutes a volume in the Tyndale New Testament Commentaries, a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means, without undue reliance on scholarly technicalities. **The Epistles of Paul to the Colossians and Philemon Colossians and Philemon An Introduction and Commentary The Letters to the Colossians and to Philemon** [Inter-Varsity Press](#) Douglas Moo's excellent, accessible commentary on these two Pauline letters evaluates the merits of plausible constructed 'backgrounds', combines exegesis with sound practical insight, balances scholarship with pastoral concern, and applies the meaning of the texts powerfully to twenty-first century readers. **The Epistle of Paul to the Colossians and Philemon The Epistles to the Colossians and Philemon An Introduction and Commentary Colossians and Philemon** [Zondervan Academic](#) This series is designed for those who know biblical languages. It is written primarily for the pastor and Bible teacher, not for the scholar. That is, the aim is not to review and offer a critique of every possible interpretation that has ever been given to a passage, but to exegete each passage of Scripture succinctly in its grammatical and historical context. Each passage is interpreted in the light of its biblical setting, with a view to grammatical detail, literary context, flow of biblical argument, and historical setting. While the focus will not be on application, it is expected that the authors will offer suggestions as to the direction in which application can flow. **Colossians & Philemon** [InterVarsity Press](#) With a scholar's mind and a pastor's heart, Tom Wright walks you through Colossians and Philemon in this guide designed especially with everyday readers in mind. Perfect for group use or daily personal reflection, this study uses the popular inductive method combined with Wright's thoughtful insights to bring contemporary application of Scripture to life. "These epistles of Paul to the Colossians and to Philemon an introduction and commentary **Colossians & Philemon (Lifebuilder Study Guides)** [IVP](#) We all long for more - more wisdom, more maturity, more power, more faith. **Colossians and Philemon were written to satisfy our longings. They explain the vital importance of finding fulfilment in Christ. Epistles of Paul to the Colossians and Philemon Introduction and Commentary The Epistles to the Colossians and to Philemon** [Wm. B. Eerdmans Publishing](#) In this volume in the celebrated New International Greek Testament Commentary series, James D. G. Dunn, author of numerous well-received works on the historical origin and theological interpretation of the New Testament, provides detailed expositions of the text of Paul's letters to the Colossians and to Philemon. Dunn examines each of these letters within the context of the Jewish and Hellenistic cultures in the first century, and he discusses the place of Colossians and Philemon in the relationship between the Pauline mission and the early churches that received these letters. He places particular stress on the role of faith in Jesus Christ within and over against Judaism and on the counsel of these two important letters with regard to the shaping of human relationships in the community of faith. **The Letters to Philemon, the Colossians, and the Ephesians A Socio-Rhetorical Commentary on the Captivity Epistles** [Wm. B. Eerdmans Publishing](#) This title offers an innovative way of looking at Ephesians, Colossians and Philemon as inter-related documents written at different levels of moral discourse. The author also analyses these documents as examples of Asiatic rhetoric. **The Epistles to the Colossians, to Philemon, and to the Ephesians** [Wm. B. Eerdmans Publishing](#) F.F. Bruce's study of the Epistles to the Colossians, to Philemon, and to the Ephesians constitute a single volume in The New International Commentary on the New Testament. Prepared by some of the world's leading scholars, the series provides an exposition of the New Testament books that is thorough and scholarly while faithful to the infallible Word of God. **Colossians and Philemon (Baker Exegetical Commentary on the New Testament)** [Baker Academic](#) In this addition to the award-winning BECNT series, leading New Testament scholar and bestselling author G. K. Beale offers a substantive evangelical commentary on Colossians and Philemon. With extensive research and thoughtful chapter-by-chapter exegesis, Beale leads readers through all aspects of Colossians and Philemon--sociological, historical, and theological--to help them better understand the meaning and relevance of these biblical books. As with all BECNT volumes, this commentary features the author's detailed interaction with the Greek text and an acclaimed, user-friendly design. It admirably achieves the dual aims of the series--academic

sophistication with pastoral sensitivity and accessibility--making it a useful tool for pastors, church leaders, students, and teachers. **Colossians and Philemon** [Wm. B. Eerdmans Publishing](#) Colossians and Philemon have traditionally been overshadowed by other New Testament texts thought to express Pauline theology more clearly. In this notable commentary, however, Marianne Meye Thompson shows how these two epistles provide a unique formulation of the gospel in terms of creation and reconciliation rather than justification by faith. In Colossians she finds an overarching narrative of the Bible's grand creation-redemption story and an important emphasis on the relationship between creation and Christology, while her exploration of Philemon casts brighter light on the significance of Paul's familial metaphors for the church and the meaning of new humanity in Christ. Throughout her work on these two epistles, Thompson continually connects her insights to theological concerns, making this volume an excellent addition to the Two Horizons series. **The Epistles to the Colossians and to Philemon** [Cambridge University Press](#) This is a theological commentary on the Greek text; on the foundation of linguistic detail is based a doctrinal exposition. The first section of the Introduction is on the religious ideas of the epistles, and frequent allusion is made throughout the commentary to works on New Testament theology. There are special notes on many of the important theological terms such as 'knowledge', 'mystery', pleroma, as well as on linguistic points, such as the use of the reflexive pronoun. But attention is devoted also to critical and introductory matters, and this is, it is believed, the first commentary on Colossians and Philemon to discuss in some detail the theories of Professors E. J. Goodspeed and J. Knox. The commentary is documented with references to works in English, French and German, for those who wish to follow up the study in greater detail. But the aim has been to make the exposition as far as possible self-contained and intelligible to a reader with no other books before him than the New Testament in Greek and the Old Testament in English. **Colossians and Philemon** [A&C Black](#) Concise yet comprehensive, manageable and affordable, T&T Clark Study Guides are an invaluable resource for students, preachers and Bible study leaders. Each book in the series gives the reader a thorough introduction to a particular book of the Bible or the Apocrypha and includes: • An introduction to the contents of the particular biblical book • A balanced survey of the important critical issues • Attention to literary, historical, sociological, and theological perspectives • Suggestions about critical appropriation of the text by the contemporary reader • Reference to other standard works through annotated bibliographies. All the books in the series, formerly published by Sheffield Academic Press, are by leading biblical scholars and the authors have drawn on their scholarly expertise as well as their experience as teachers of university and college students. **The Epistles to the Colossians and to Philemon** [Cambridge University Press](#) This is a theological commentary on the Greek text; on the foundation of linguistic detail is based a doctrinal exposition. The first section of the Introduction is on the religious ideas of the epistles, and frequent allusion is made throughout the commentary to works on New Testament theology. There are special notes on many of the important theological terms such as 'knowledge', 'mystery', pleroma, as well as on linguistic points, such as the use of the reflexive pronoun. But attention is devoted also to critical and introductory matters, and this is, it is believed, the first commentary on Colossians and Philemon to discuss in some detail the theories of Professors E. J. Goodspeed and J. Knox. The commentary is documented with references to works in English, French and German, for those who wish to follow up the study in greater detail. But the aim has been to make the exposition as far as possible self-contained and intelligible to a reader with no other books before him than the New Testament in Greek and the Old Testament in English. **Colossians and Philemon** [MacArthur New Testament Commentary](#) [Moody Publishers](#) These study guides, part of a set from noted Bible scholar John MacArthur, take readers on a journey through biblical texts to discover what lies beneath the surface, focusing on meaning and context, and then reflecting on the explored passage or concept. With probing questions that guide the reader toward application, The MacArthur Bible Studies are invaluable tools for Bible students of all ages. The theme of Paul's letter to the Colossians is the complete adequacy of Christ in contrast to the emptiness of mere human philosophy- a timely message in the face of the do-it-yourself, anything-goes New Age movement. MacArthur expounds on Paul's themes as he moves passage-by-passage through the text of Colossians and Philemon. His careful exegesis and life-changing applications expressed in a clear style and easily understandable language will appeal to both pastors and laypeople. **Colossians and Philemon** [The Supremacy of Christ](#) [Crossway](#) Based on Frank Peretti's moving novel by the same name, Tilly presents the story of Kathy and Dan Ross, who, with their sons and daughter, are living the American dream. Then they discover a mysterious grave with only one date inscribed on it. Kathy is fixated on the name: "Tilly." Dan starts asking questions about the grave, and what he discovers unearths painful secrets from the couple's past and leads them to God's forgiveness. This made-for-TV production (also available on VHS) brings Peretti's novel to life and will give you a new perspective on the preciousness of an unborn child. **Ephesians, Philippians, Colossians, Philemon** [Zondervan Academic](#) Continuing a Gold Medallion Award-winning legacy, this completely revised edition of The Expositor's Bible Commentary series puts world-class biblical scholarship in your hands. Based on the original twelve-volume set that has become a staple in college and seminary libraries and pastors' studies worldwide, this new thirteen-volume edition marshals the most current evangelical scholarship and resources. The thoroughly revised features consist of: • Comprehensive introductions • Short and precise bibliographies • Detailed outlines • Insightful expositions of passages and verses • Overviews of sections of Scripture to illuminate the big picture • Occasional reflections to give more detail on important issues • Notes on textual questions and special problems, placed close to the texts in question • Transliterations and translations of Hebrew and Greek words, enabling readers to understand even the more technical notes • A balanced and respectful approach toward marked differences of opinion **Eerdmans Commentary on the Bible: Ephesians, Colossians, Philemon** [Wm. B. Eerdmans Publishing](#) This extract from the Eerdmans Commentary on the Bible provides Marshall and Hooker's introduction to and concise commentary on Ephesians, Colossians, and Philemon. The Eerdmans Commentary on the Bible presents, in nontechnical language, the best of modern scholarship on each book of the Bible, including the Apocrypha. Reader-friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars, students, and general readers. Rather

than attempt a verse-by-verse analysis, these volumes work from larger sense units, highlighting the place of each passage within the overarching biblical story. Commentators focus on the genre of each text—parable, prophetic oracle, legal code, and so on—interpreting within the historical and literary context. The volumes also address major issues within each biblical book—including the range of possible interpretations—and refer readers to the best resources for further discussions. The Letter to Philemon A New Translation with Introduction and Commentary [Anchor Bible](#) Like his magisterial Anchor Bible commentaries on Romans, Luke, and the Acts of the Apostles, Fitzmyer's commentary on the Letter to Philemon represents the finest of modern biblical scholarship."--BOOK JACKET. Colossians & Philemon for You: Rooting You in Christian Confidence [God's Word for You](#) Peace. Provision. Forgiveness. These are basic human needs. Yet who can truly be relied upon to deliver them? In his letter to the Colossians, Paul shows how these can never come to us through political, philosophical, mystical or religious systems. They only come through Jesus Christ, who is the visible image of the invisible God. Mark Meynell unpacks Colossians and Philemon, verse by verse in this expository guide which can be used as a daily devotional or for studying this letter in your church. It will excite ordinary Christians in their faith, equip teachers and preachers in their work, and help us all to root our confidence in the right place. The Acts of the Risen Lord Jesus Luke's Account of God's Unfolding Plan [Apollos](#) When the book of Acts is mentioned, a cluster of issues spring to mind, including speaking in tongues and baptism with the Holy Spirit, church government and practice, and missionary methods and strategies. At the popular level, Acts is more often mined for answers to contemporary debates than heard for its natural inflections. Instead of using Acts as a proof-text, Alan Thompson brings a biblical-theological framework to the account to expose Luke's major themes as they relate to the book as a whole. With this framework in place, Thompson argues that Acts is an account of the 'continuing story' of God's saving purposes. Consequently we find that Luke wants to be read in light of the Old Testament promises and the continuing reign of Christ in the inaugurated kingdom. Read in this way as a snapshot of God's dynamic, unfolding kingdom, the book of Acts begins to regain the deep relevance it had in the first century. Colossians and Philemon A 12-Week Study [Crossway](#) The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week study lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The books of Colossians and Philemon complement each other as two New Testament texts that gloriously display the gospel and its implications for how God's people should live today. Written around the same time, both letters resonate with the apostle Paul's overriding passion to magnify Jesus Christ as the supreme manifestation of God's redemptive purposes. Exegetical Guide to the Greek New Testament, Volume 12 Colossians and Philemon [Wm. B. Eerdmans Publishing](#) This first volume of the Exegetical Guide to the Greek New Testament series is designed to help the student or pastor understand and expound the Greek text of the Books of Colossians and Philemon. For each paragraph, the exegetical notes include the Greek text, structural analysis, grammatical discussion, topics for further study, and homiletical suggestions. Luke An Introduction and Commentary [InterVarsity Press](#) In this insightful and accessible commentary, Nicholas Perrin examines Luke's Gospel section-by-section, exploring the context in which it was written, providing astute commentary, and then unpacking its theology. Part of the Tyndale New Testament series, this commentary offers thorough understanding of Luke's content and structure, as well as its continued relevance for today. Colossians & Philemon [InterVarsity Press](#) To the Colossians, preoccupied with legal codes and intellectual disputes, Paul wrote a letter stressing not only the centrality of Christ but also the need for Christians to live out their faith in genuine community. Paul's antidote to a privatized and intellectualized faith will provide relief to many Christians today. To Philemon, a powerful church leader, Paul wrote a strong personal letter asking him to embark on a new relationship with his slave Onesimus. As a model for conflict resolution and mutual relations within the Christian community, Paul's letter has much to offer the church today. Throughout this commentary, Robert W. Wall explains what each letter meant to its original hearers and its application for us today. An Asian Introduction to the New Testament [Fortress Press](#) Understanding and assessing the New Testament writings from Asian viewpoints provides a unique and original outlook for interpretation of the Christian Scriptures. To that end, An Asian Introduction to the New Testament is the first book of its kind to take full account of the multireligious, multiethnic, multilingual, multicultural, and pluralistic contexts in which Asian Christians find themselves. Into this already complex world, issues of poverty, casteism, class structure, honor and shame aspects, colonial realities, discrimination against women, natural calamities and ecological crises, and others add more layers of complexity. Perceiving the New Testament in light of these realities enables the reader to see them in a fresh way while understanding that the Jesus Movement emerged from similar social situations. Readers will find able guides in an impressive array of more than twenty scholars from across Asia. Working with volume editor Johnson Thomaskutty, the authors make a clear case: the kernels of Christianity sprouted from Asian roots, and we must read the New Testament considering those roots in order to understand it afresh today. Colossians, 1-2 Thessalonians, 1-2 Timothy, Titus, Philemon [InterVarsity Press](#) For the early church fathers, certain passages in the shorter letters of St. Paul proved particularly important in doctrinal disputes and practical church matters. Including comment from John Chrysostom as well as other Greek, Western, Syrian, and Egyptian figures, this ACCS volume opens up a treasure house of ancient wisdom for the church today. Colossians, Philemon [Zondervan](#) Most Bible commentaries take us on a one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable -- but the job is only half done! The NIV Application

**Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how to bring an ancient message into a modern context. It explains not only what the Bible meant but also how it can speak powerfully today. The Epistle to the Colossians and the Epistle to Philemon With Introduction and Notes Paul the Missionary Realities, Strategies and Methods [InterVarsity Press](#) Drawing on his monumental scholarly study Early Christian Mission (Volume 2), Eckhard J. Schnabel's gives us an overview of Paul's missionary practices, strategies and methods, and then weighs contemporary evangelical missiology and practice in light of Paul. The Epistles of Paul the Apostle to the Colossians and to Philemon. An Introduction and Commentary by C.F.D. Moule Colossians and Philemon So Walk in Him [Christian Focus](#) Colossians was a letter, which would have first been read by Tychicus in Philemon's house in Colossae. By reading it they are about to understand better the reality of a life in Christ. Evidence Unseen Exposing the Myth of Blind Faith Evidence Unseen is the most accessible and careful though through response to most current attacks against the Christian worldview.**
