The volume covers general principles, jurisdiction, and the effect of foreign judgments; choice of law for contractual and non-contractual obligations, the private international law of property, of persons, and of corporations. It does so in a manner which explains and illuminates the principles which underpin the subject in a clear and coherent fashion, as the wealth of literature, case law, and legislation often obscures the architecture of the subject and unnecessarily complicates study. This new edition organizes its material in light of European legislation on private international law, reflecting the shift towards understanding private international law as European law with a common law background instead of common law with European legislative influences. The author's approach is focused on the law and avoids the more abstract theory; as the theory of the conflict of laws is actually to be found in and by applying the legislation and jurisprudence to the cases and issues which arise in private international litigation and legal advice. **Dicey, Morris & Collins** **The Conflict of Laws** **Conflict of Laws** **DICEY, MORRIS & COLLINS ON THE CONFLICT OF LAWS**. **Dicey's Conflict of Laws** **Dicey, Morris and Collins on the Conflict of Laws** V.1 **Dicey's Conflict of Laws**. It presents the state as a form of social group, consisting of people, territory and institutions bound together by rules. The institutions of the state make a distinctive and characteristic claim over the people of the state, who, in turn, have a distinctive and characteristic relationship with these institutions. This account reveals the importance of at least two forms of pluralism - legal and constitutional. It also casts light on some of the more difficult questions faced by writers on constitutions - such as the possibility of states undertaking actions and forming intentions, the moral significance of these actions for the people of the state, and the capacity of the state to carry responsibility for acts between generations.** **Dicey and Morris on the Conflict of Laws @Dicey and Morris on the Conflict of Laws Suppl. 7** **Dicey and Morris on the Conflict of Laws V.
