### Engaging with Martyn Lloyd-Jones

### The Life and Legacy of 'the Doctor'

Apollos

### Martyn Lloyd-Jones

### His Life and Relevance for the 21st Century

Crossway **Martyn Lloyd-Jones impacted countless Christians in his own day with his passionate preaching and a resolute commitment to the Bible as God's Word. But the principles upon which he built his life and teaching remain as relevant today as they were during his lifetime. Written by his eldest grandson, this biography reveals the heart of Lloyd-Jones's ministry and explores how the physician-turned-preacher integrated belief with practice, in the hope that his legacy will inspire a new generation of believers to boldly cherish and declare the great things of God.**

### Knowing the Times

## Addresses Delivered on Various Occasions 1942-1977

Banner of Truth Martyn Lloyd-Jones biblically informed insight gave a certain prophetic quality to his ministry; not in the sense that he foretold the future, but rather in his God-given ability to put his finger on the essential issues, and to apply the burden of God's Word. Knowing the Times brings together a number of addresses which exhibit this vibrant prophetic character. Those who heard Dr. Lloyd-Jones speak in a variety of contexts will easily recall the kind of impact which accompanied addresses like these. All will agree that Knowing the Times is one of the most significant Lloyd-Jones titles ever published. The addresses reprinted here remain 'tracts for the times'. The publishers believe that they have the potential to be used in the preparation of another generation who will be like the children of Issachar referred to in 1 Chronicles 12:32: 'Men that had understanding of the times, to know what Israel ought to do.'

### Dr David Martyn Lloyd-Jones

EP BOOKS Unexpected? Yes. Unwelcome? Certainly, for Dr D. Martyn Lloyd-Jones was dismayed by what was happening. The date was the 14 December 1926 and the national newspapers were using startling headlines concerning him: 'Harley Street Doctor to become a Minister' and 'Leading Doctor turns Pastor'. For two days, Lloyd-Jones' family home in London was besieged by newspaper reporters who all waited in vain to interview him. Lloyd-Jones even refused to pose for a photograph. There were good reasons for his negative response. He was essentially a shy man and disliked the publicity intensely. But more to the point, he had not yet informed his employers at the hospital of his decision to leave medicine to become a church pastor - and they were not pleased to hear the news first from the newspapers.

### The Heart of Hebrews

### God's Means of Restoring His Church

Christian Faith Publishing, Inc. Making the presence of God known in the world goes to the very heart of the church's purpose. Yet it is a formidable challenge. How can the church make the presence and glory of God a reality in a world that both denies God and hates the church? By the church bearing the image of Jesus Christ in the world through word and deed for, as the unknown author of Hebrews declares, Jesus is the radiance of God's glory and the exact representation of His being (Hebrews 1:3). It is not the primary purpose of the church to specialize in economic, social, or political issues but rather to proclaim the good news of what God has accomplished in and through Jesus Christ. When the church quits proclaiming Christ, to proclaim a message of love, acceptance, tolerance, and affirmation, then it ceases to effectively fulfill its purpose and loses its relevancy. Christ came into the world to proclaim the Gospel in the marketplace, and He did so while never surrendering His identity or sacrificing His purpose for the sake of relevancy. He expects his church in every age to do likewise. The greatest need in the church today is exactly what the early church needed in the first century. In a church that is infected with a spiritual apathy, has forsaken her first love, has compromised truth, and is lukewarm, a new vision of the risen and glorified Christ dwelling in her midst is needed. The only method God designed to lead the church to recover the awareness of Christ's presence is prayer and preaching that focuses on Jesus Christ. Thus, "if the church is to flourish again, there is no greater need than a recovery of faithful, powerful, biblical preaching" whose subject is Christ and the new birth.

### Lamb Of God - Saviour Of The World

### The Soteriology of Rev. Dr David Martyn Lloyd-Jones

WestBow Press This book provides the first ever evaluation of the teaching of Dr D. Martyn Lloyd-Jones on the atonement and shows that he held to the same understanding of the cross as that taught by John Calvin, Moïse Amyraut, John Davenant, Richard Baxter, Matthew Henry, Philip Doddridge, and J. C. Ryle. On this 400th anniversary of the birth of Richard Baxter in 1615 (the 200th anniversary of the birth of J. C. Ryle is in 2016), it is fitting that the twentieth-century Baxter made his appearance in the person of Dr D. Martyn Lloyd-

Jones. His published evangelistic sermons, like Baxter's writings, do not suggest that he believed in limited atonement as held by high Calvinists, but that his view was closely aligned with that of Calvin and Amyraut rather than with Beza and Owen. 350 direct quotations from Lloyd-Jones' own works substantiate this claim. Careful exegesis of his most frequently quoted Scripture texts also demonstrates that his soteriology is based on solid biblical teaching, and not on teaching dominated by medieval scholastic philosophy. His approach was determined by Deuteronomy 29:29. This new book from Dr Lynch will enlighten, instruct, encourage, challenge, and thrill all who read it.

## T&T Clark Companion to Nonconformity

A&C Black **Protestant Nonconformity, the umbrella term for Congregationalists, Presbyterians, Baptists, Methodists and Unitarians, belongs specifically to the religious history of England and Wales. Initially the result of both unwillingness to submit to the State's interference in Christian life and a dissatisfaction with the progress of reform in the English Church, Nonconformity has been primarily motivated by theological concern, ecclesial polity, devotion and the nurture of godliness among the members of the church. Alongside such churchly interests, Nonconformity has also made a profound contribution to debates about the role of the State, to family life and education, culture in general, trade and industry, the development of philanthropy and charity, and the development of pacifism. In this volume, for the first time, Nonconformity and the breadth of its activity come under the expert scrutiny of a host of recognised scholars. The result is a detailed and fascinating account of a movement in church history that, while currently in decline, has made an indelible mark on social, political, economic and religious life of the two nations.**

## Evangelicalism and Fundamentalism in the United Kingdom During the Twentieth Century

Oxford University Press **Should evangelicalism be seen as the Christian version of fundamentalism? This volume presents evidence of Christian fundamentalist activity in the United Kingdom during the twentieth century. On the basis of this empirical evidence the authors examine the nature of the relationship between evangelicalism and fundamentalism. The essays show that fundamentalism certainly existed in Britain, that evangelicals did sometimes show tendencies in a fundamentalist direction, but that evangelicalism in Britain cannot simply be equated with fundamentalism.**

## Papers from the Jonathan Edwards Congress held in Melbourne, August 2015

Wipf and Stock Publishers **In a globalized world, networks are key, whether they are networks of people, ideas, or interests. In this volume of essays on the texts and teachings of Jonathan Edwards, contributors from each continent ask questions about how the world of Edwards explains or illuminates the world of today, whether in the area of systematics, missions, historiography, politics, church-planting, or biblical studies. Such diverse discourses enrich the networks of scholarship that the contributors represent, and provide a global snapshot of contemporary research in Edwards studies. These papers were presented in August 2015 at the Jonathan Edwards Congress held at Ridley College in Melbourne, Australia, where personal engagement with the topics at hand made the worldwide network of Edwards aficionados and scholars not merely a virtual aspiration but an experience in time and space. This book will not only inform its readers but surprise them as well, as they track the power of eighteenth century theological ideas in the late modern world.**

## Romans

## Text, Readers, and the History of Interpretation

Wm. B. Eerdmans Publishing **A wide-ranging study of the interpretation of Paul's letter to the Romans throughout history, from Origen to Karl Barth. In anticipation of his Illuminations commentary on Paul's letter to the Romans, Stephen Westerholm offers this extensive survey of the reception history of Romans. After two initial chapters discussing the letter's textual history and its first readers in Rome (a discussion carried out in dialogue with the Paul-within-Judaism stream of scholarship), Westerholm provides a thorough overview of**

over thirty of the most influential, noteworthy, and representative interpretations of Romans from nearly two thousand years of history. Interpreters surveyed include Origen, John Chrysostom, Augustine, Peter Abelard, Thomas Aquinas, Martin Luther, John Calvin, John Locke, Cotton Mather, John Wesley, and Karl Barth. Bearing in mind that Paul did not write for scholars, Westerholm includes in his study interpreters like Philipp Jakob Spener and Richard Baxter who addressed more popular audiences, as well as an appendix on a remarkable series of 372 sermons on Romans by beloved British preacher Martyn Lloyd-Jones. A further aim of the book is to illustrate the impact of this New Testament letter on Christian thought, supporting Westerholm's claim that "the history of the interpretation of Romans is, in important areas and to a remarkable extent, the history of Christian theology."

## Preaching and Preachers

Hachette UK Some may object to my dogmatic assertions; but I do not apologise for them. Every preacher should believe strongly in his own method; and if I cannot persuade all of the rightness of mine, I can at least stimulate them to think and to consider other possibilities. I can say quite honestly that I would not cross the road to listen to myself preaching, and the preachers whom I have enjoyed most have been very different indeed in their method and style. But my business is not to describe them but to state what I believe to be right, however imperfectly I have put my own precepts into practice. I can only hope that the result will be of some help, and especially to young preachers called to this greatest of all tasks, and especially in these sad and evil times. With many others I pray that "The Lord of the harvest may thrust forth" many mighty preachers to proclaim 'the unsearchable riches of Christ!'

## The Gospel in Genesis

### From Fig Leaves to Faith

Crossway In this series of never-before-published sermons, beloved teacher Martyn Lloyd-Jones walks readers through the early chapters of Genesis. The Gospel in Genesis starts with the fall of man and ends with the call of Abram as it examines portions of chapters 3-12. Along the way Lloyd-Jones talks of serpents and sin, of the Word of God and the Babel of man. But the destination of The Gospel in Genesis is clear: readers will be moved from fig leaves in the garden to faith in the gospel. Thus Lloyd-Jones preaches the gospel of Jesus Christ from the pages of Genesis. These nine sermons will snap nonbelievers out of their apathy toward God and will embolden believers to share the only gospel that offers answers to life's biggest questions.

## What is an Evangelical?

Dr. Martyn Lloyd-Jones was possibly the greatest Christian preacher and teacher of the twentieth century. A medical doctor by training, **Spiritual Depression** draws together his professional understanding of the mind with a profound understanding of Christian teaching and the Bible. **Spiritual Depression** diagnoses the causes of the ill feeling that many Christians experience. It prescribes the practical care that is needed to lift people's spirits and bring them freedom, power and joy. Spiritual health is possible and this book explains how everyone can grasp it for themselves.

## Lloyd-Jones on the Christian Life (Foreword by Sinclair B. Ferguson)

### Doctrine and Life as Fuel and Fire

Crossway Called a "physician of the soul," Martyn Lloyd-Jones is widely regarded as one of the most powerful preachers of the twentieth century. Originally trained as a medical doctor, he changed careers after recognizing the depth of healing the gospel can bring to the soul of a sinner. With a unique ability to winsomely capture the minds and hearts of his listeners, Lloyd-Jones crafted sermons that continue to have a tremendous impact on the world today, almost forty years after his death. In this book, pastor Jason Meyer summarizes what Lloyd-Jones taught about the Christian life, what he saw as the dangers of separating doctrine from life, and how he modeled devotion to the knowledge of God. Lloyd-Jones's passion for the glory of God in his own life will encourage Christians to hunger to experience God in the same way.

## Christian Marriage

### From Basic Principles to Transformed Relationships

Banner of Truth In an age which has seen an almost total collapse of marriage and when, in many cases, marriages end in divorce with children being raised in 'broken homes', Dr. Lloyd-Jones' words speak powerfully into our present situation. It is a situation which may be seen as giving Christians, and especially Christian marriages, a valuable opportunity to bear witness to biblical truth. The way in which Dr. Lloyd-Jones, like the Apostle Paul, deals with marriage relationship, is extremely important - to attempt to deal with Christian practice apart from Christian doctrine is to tread a dangerous path. As these chapters on Ephesians make clear, the only Christianity powerful enough to penetrate and change society is that which is derived from the work of the Spirit of God.

## The Kingdom of God

Crossway In a world that has completely misunderstood Christianity, Martyn Lloyd-Jones calls Christians back to what the kingdom of God is truly about—a blessed Savior and wondrous forgiveness.

## Word and Power

### Is the Theology of John Wimber Compatible with Presbyterian Theology and Practice?

Wipf and Stock Publishers Historically, the Reformed and Charismatic streams have seemed to be almost mutually exclusive. In recent years, this exclusivity has been being challenged by a new generation of Reformed thinkers. This work aims at considering the contribution of John Wimber, the late leader of the Vineyard Churches, to contemporary theological reflection within the Reformed tradition. Taking into account John Wimber's unique theology of the "radical middle," which is somewhere between Pentecostal and Evangelical, this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty-first century. Written from a confessional Presbyterian context in Northern Ireland, Word and Power places Wimber in his theological context and asks whether Wimber's view of power evangelism, discipleship formation, and ministry training might be a model that Reformed Churches--and Presbyterians in particular--could adopt for their ecclesiology today.

## Pathways and Patterns in History

### Essays on Baptists, Evangelicals, and the Modern World in Honour of David Bebbington

Wipf and Stock Publishers Professor David Bebbington is a highly regarded historian. He holds a chair at the University of Stirling, has been President of the Ecclesiastical History Society, and has delivered numerous endowed lecture series, as well as being deeply involved in the Dr Williams's Dissenting Academies Project. He is both a popular and influential academic historian, whose writings have significantly shaped our thinking about the history of evangelicalism, Baptist life, and political developments. In Pathways and Patterns,

colleagues, former research students and friends who are indebted to Professor Bebbington and value his contribution to scholarship join together to pay tribute to his outstanding work. Not only has he stimulated academic endeavour, he has also given much personal support, not least to those in the Baptist Historical Society and in Colleges, among them Spurgeon's College and Baylor University (USA) where he is a Distinguished Visiting Professor. This volume reflects his wide involvements and the grateful esteem in which he is held. Among Professor Bebbington's achievements has been both instituting and masterminding the very important International Conference on Baptist Studies (ICOBBS), held every three years in different parts of the world. It is appropriate, then, that this volume was presented to him at the Seventh ICOBBS Conference held in Manchester, July 2015.

## Godly Ambition

### John Stott and the Evangelical Movement

Oxford University Press British Christian leader John Stott was one of the most influential figures of the evangelical movement during the second half of the twentieth century. Called the pope of evangelicalism by many, he helped to shape a global religious movement that grew rapidly during his career. He preached to thousands on six continents. Millions bought his books and listened to his sermons. In 2005, Time included him in its annual list of the 100 most influential people in the world. Alister Chapman chronicles Stott's rise to global Christian stardom. The story begins in England with an exploration of Stott's conversion and education, then his ministry to students, his work at All Souls Langham Place, London, and his attempts to increase evangelical influence in the Church of England. By the mid-1970s, Stott had an international presence, leading the evangelical Lausanne movement that attracted evangelicals from almost every country in the world. Chapman recounts how Stott challenged evangelicals' habitual conservatism and anti-intellectualism, showing his role in a movement that was as dysfunctional as it was dynamic. Godly Ambition is the first scholarly biography of Stott. Based on extensive examination of his personal papers, it is a critical yet sympathetic account of a gifted and determined man who did all he could to further God's kingdom and who became a Christian luminary in the process.

## The Crisis of Evangelical Christianity

### Roots, Consequences, and Resolutions

Wipf and Stock Publishers In the broad context of Christianity as it developed over two millennia, and with special reference to the last three centuries, this discussion finds that Evangelicalism has repeatedly offered a reduced and distorted understanding of the faith. The evangelical outlook is much less scriptural than evangelicals generally assume. When it comes to appreciating the order of creation, our calling to develop integral Christian thinking and living, the religious significance of culture, and the coming of the kingdom, reductionist Evangelicalism struggles with its only rarely acknowledged deficiencies. As a result, we have all too often ended up with a Christianity shorn of its cosmic scope and wide cultural implications, and restricted to institutional church life and the cultivation of private spiritual experience. The consequences are frequently enervating and corrosive. Without disregarding what is important in the past, evangelicals are here challenged to take the Bible much more seriously, and thereby transcend the limitations of their habitual reductionism. Evangelicals are encouraged to embrace an integral and full-orbed understanding of Christian discipleship that will equip the faithful to address the deep and complex

challenges of the twenty-first century.

## Seeking the Face of God

### Nine Reflections on the Psalms

Crossway "One thing have I desired of the LORD, that will I seek after; that I may dwell in the house of the LORD all the days of my life, to behold the beauty of the LORD, and to enquire in his temple." -Psalm 27:4, KJV The Psalms are treasures from those who earnestly sought the face of God. They are honest messages of sorrow, joy, praise, and wisdom from real people who experienced real struggles. In the psalmists' words we see their hearts open before God. In Seeking the Face of God, Martyn Lloyd-Jones unpacks nine passages from the Psalms and weaves them together with the everyday life of the world in which we live. His reflections are practical, powerful, and profound. For those just beginning to study the Psalms as well as those who know them well and wish to consider them from a new angle, this collection of sermons from one of the greatest preachers of the twentieth century will move your mind to greater understanding and your heart to deeper worship.

## Evangelistic Sermons at Aberavon

Banner of Truth From the outset of his ministry in South Wales in 1927 Dr. Lloyd-Jones was an evangelistic preacher, as can be seen in this collection of 21 sermons from his ministry there. As with the early preaching of George Whitefield and Robert M'Cheyne, they show why the gospel is the most urgent, glorious and transforming of all messages. As a book specifically on the subject of conversion and the beginning of the Christian life, the publishers believe this will be one of the most popular and valuable of all the Lloyd-Jones titles. - Back cover.

## Truth Unchanged, Unchanging

## Packer on the Christian Life

### Knowing God in Christ, Walking by the Spirit

Crossway Widely recognized as a pillar of 20th-century evangelicalism, J. I. Packer has had a profound impact on millions of Christians living today. Now in his late eighties, Packer still exerts an enormous influence on pastors and laypeople around the world through his many books, articles, and recorded lectures—works that overflow with spiritual wisdom related to the Christian life. In the latest addition to Crossway's growing Theologians on the Christian Life series, well-known pastor Sam Storms examines Packer's legacy when it comes to the Christian and sanctification. Whether exploring Packer's insights into prayer, Bible study, the sovereignty of God, or the Christian's fight against sin, this accessible book offers readers the chance to learn from the best of Packer's thinking on what true godliness really entails. Part of the Theologians on the Christian Life series.

### Life of Martyn Lloyd-Jones-1899-1981

Banner of Truth This book is a re-cast, condensed and, in parts, re-written version of the author's two volumes **D. Martyn Lloyd-Jones: The First Forty Years (1982)** and **The Fight of Faith (1990)**. Since those dates, the life of Dr Lloyd-Jones has been the subject of comment and assessment in many publications and these have been taken into account. The main purpose of this further biography, however, is to put Dr Lloyd-Jones' life before another generation in more accessible form. The big story is all here.
