It is your entirely own get older to show reviewing habit. along with guides you could enjoy now is **Peat Smoke And Spirit A Portrait Of Islay And Its Whiskies** below.

KEY=ISLAY - MARSHALL JANIYA

Peat Smoke and Spirit Headline Those who discover malt whisky quickly learn that the malts made on the Isle of Islay are some of the wildest and most characterful in the malt-whisky spectrum. In PEAT SMOKE AND SPIRIT, Islay's fascinating story is uncovered: from its history and stories of the many shipwrecks which litter its shores, to intimate descriptions of the beautiful wildlife, landscape and topography of the island. Interwoven through these different narrative strands comes the story of the whiskies themselves, traced from a distant past of bothies and illegal stills to present-day legality and prosperity. The flavour of each spirit is analysed and the differences between them teased out, as are the stories of the notable men and women who have played such a integral part in their creation. PEAT SMOKE AND SPIRIT is the last word on Islay and its whiskies. **Whisky Island A Portrait of Islay and its whiskies Hachette UK** This is a reissue edition of the previously published title Peat Smoke and Spirit (9780747245780), published in 2005. 'This is not simply an appreciation of whisky, but a voyage into the history and geography of a tiny Scottish island' Daily Mail Those who discover malt whisky quickly learn that the malts made on the Isle of Islay are some of the wildest and most characterful in the malt-whisky spectrum. In Whisky Island, Islay's fascinating story is uncovered: from its history and stories of the many shipwrecks which litter its shores, to the beautiful wildlife, landscape and topography of the island revealed through intimate descriptions of the austere beautiful and remote countryside. Interleaved through these different narrative strands comes the story of the whiskies themselves, traced from a distant past of bothies and illegal stills to present-day legality and prosperity. The flavour of each spirit is analysed and the differences between them teased out, as are the stories of the notable men and women who have played such a integral part in their creation. **Whiskypedia A Compendium of Scotch Whisky Simon and Schuster** An authority on Scotch whisky An ideal addition to a collection of whisky books for beginners or whisky distilling books Fantastic gift for any whisky lovers Have you ever wondered why Scotch whisky tastes the way it does? Have you ever questioned the history of whisky and how its flavor notes have changed over the years? If so, then this book is for you! The flavor of Scotch whisky is influenced by a combination of history, craft, science, and tradition. Whether it is single malt Scotch whisky, dalmore whisky, or peat whisky, you will learn something about it in this book. This book on scotch is also a compendium of curiosities! Learn about bottles of scotch, including orbit bottle labels, whiskey green labels, and more. Whiskypedia also outlines information about individual distilleries. Each one provides their whiskies with unique characteristics. They are grounded in the craft and custom of the distillery and its district, but the real key influences on the flavor are how the spirit is matured, the distilling equipment itself, and how the distilling equipment is operated. This guide explores all of those influences and more. Whiskypedia is the first comprehensive source of the flavor and character of every malt whisky in Scotland. Written by Charles MacLean, "a world authority on malt whisky" (Daily Telegraph), shares his wisdom throughout this book. The history of Scotch whisky and information on Scotch distilling are also included. John MacPherson's stunning photos compliment the text well. This is an ideal book about Scotch for any whisky fan. Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. **Andrew Jefford's Wine Course Ryland Peters & Small Wine**, made and drunk locally, has been a part of life in the sunlit Mediterranean basin since ancient times. Now, all the temperate regions of the world produce wine. With that geographical expansion has come a new flowering of aromas and flavours. Socially, too, wine is now accessible to all. Its pleasures are no longer the preserve of a wealthy elite. The first part of the book, The Tools, introduces you to the kit you'll need for tasting and thinking about wine, including different glasses, the varying colours of key wine types and their smell and taste. You'll learn how to choose wine and record your impressions of what you taste. The Elements explains wine's components. Andrew profiles the Magnificent Seven grape varieties: Chardonnay, Sauvignon Blanc, Riesling, Cabernet Sauvignon, Merlot, Syrah and Pinot Noir, plus many more from the extended vine family. He also pictures what happens in the earth and sky as the vine grows, and the role of the winemaker in shaping the finished product. The final part of the book, The Journey, takes you on a tour of the world's wine-producing countries, describing the characteristics of each. If you want to know more about wine's unique sensual pleasures, enrol on Andrew Jefford's Wine Course today. **A Portrait of the Artist as a Young Man The Floating Press** A Portrait of the Artist as a Young Man is semi-autobiographical, following Joyce's fictional alter-ego through his artistic awakening. The young artist Steven Dedelus begins to rebel against the Irish Catholic dogma of his childhood and discover the great philosophers and artists. He follows his artistic calling to the continent. **Spirit of Place Whisky Distilleries of Scotland Frances Lincoln** A wide-ranging and evocative portrait of Scotland's distilleries, with text by renowned whisky expert Charles MacLean and photographs by Lara Platman and Alan MacDonald. Treating Scotland as eight distinct regions, this fascinating book describes the 'cultural terroir' of the country's fifty greatest distilleries; the ingredients, practices and traditions that result in such an exquisite range of whiskies. Specially commissioned photographs capture the texture of the surrounding landscapes and communities through the changing seasons, as well as portraits of those craftsmen who work there, and the fabric of the buildings themselves. Spirit of Place is a unique addition to the literature on Scotch whisky, from the world's greatest expert on the subject. The perfect gift for anyone planning a tour of Scotland's distilleries, a souvenir for anyone who has visited them, and simply the perfect companion to a dram at home. **The Whisky Distilleries of the United Kingdom Aaron Barker Publishing** In 1885, Alfred Barnard was charged with the task of visiting and reporting on every active Whisky distillery throughout Scotland, Ireland and England. It took him two exhaustive years. In this book you will see the distilleries through his eyes. His detailed descriptions of every step in the distilling process is work that remains unparalleled to this day. But that's only part of the story. As he and his companions traveled the countryside, he fell in love with Scotland and all its grandeur as well as the lush landscapes of Ireland. As you read through this book - presented as an ebook for the very first time - you'll fall in love, as well. Part technical document and part travelogue, you're almost getting two books in one intertwined volume. Granted, this text lacks the visual beauty and splendor of the fine print editions, but the words stand up on their own and will transport you to a Victorian adventure that was, is and always will be one of a kind. This edition does not contain the additional writings of Alfred Barnard that are found in recent print editions, just the text of his original book. There are two additional chapters from his writings giving added detail for Glenglassaugh and Glenfarclas. **New France A Complete Guide to Contemporary French Wine Mitchell Beazley** This comprehensive wine atlas leaves no centimeter of terroir unexplored. After a thorough introduction to France, French winemaking and the concept of terroir, Jefford (Wine Tastes Wine Styles) gets to the heart of the matter with lengthy chapters on each of France's 14 regions. Each of these consists of an overview of the region and its history, profiles of the area's major winemakers, a description of the land and listings and descriptions of the local wineries. Some of the latter are lengthy, while others are brief, but all include an address and phone number, making this book useful as a guidebook as well. Jefford is refreshingly opinionated: the Loire Valley is in the throes of a "long and refined stone age," while Zind-Humbrecht in Alsace is the domain "most emblematic of the New France as a whole." The effort here is encyclopedic, but the writing rises above the usual dry discussion, comparing the quest to understand Burgundy to doing crossword puzzles. Even the most matter-of-fact information is presented with a certain flair: in a description of the Rhone Valley, Jefford explains that the area's mistral wind is both destructive and useful, in that it blows away "fugs and fungal diseases." Numerous maps and photographs-including portraits of the winemakers profiled-and a full list of vintages round out this entertaining addition to its field. **The Book of the Courtier Courier Corporation** An insider's view of court life during the Renaissance, here is the handiwork of a 16th-century diplomat who was called upon to resolve the differences in a war of etiquette among the Italian nobility. **Whisky Canongate Books** Featuring an introduction by renowned whisky writer, Ian Buxton and a foreword by Charlie Maclean, this facsimile commemorative edition is aimed at whisky enthusiasts and casual dram-takers. **Cycling in the Hebrides Island touring and day rides including The Hebridean Way Cicerone Press Limited** This guidebook describes 37 day rides for all abilities, and 22 linking routes for more experienced cycle tourists, allow riders to visit all the essential sights in over 20 islands of the Hebrides and of the Firth of Clyde. Routes range from those suitable for short weekend breaks to a challenging 600-mile tour (includes the 200 mile Hebridean Way / NCR 780 along the length of the Outer Hebrides). Whether you're putting together a fortnight's tour or just enjoying a few day rides from a single base, this guide is packed with useful information to help you make the most of your trip. The Hebridean islands offer a wealth of wonderful scenery: the majestic Cuillin mountains on Skye; the otherworldly palm trees on Bute; the marvellous white shell sands on Tiree and Harris. This guidebook features detailed custom mapping and elevation profiles for all routes, and comprehensive information of ferry and transport routes, accommodation, food and drink, supplies, cycle spares and repairs. Island hopping in these islands is a magical experience. The guide visits over 20 of them and each has its own interesting history and wildlife. Reasonably fit cyclists can enjoy these routes at their own pace; experienced cycle tourists will eat up the miles. **The Falling Sky Harvard University Press** Anthropologist Bruce Albert captures the poetic voice of Davi Kopenawa, shaman and spokesman for the Yanomami of the Brazilian Amazon, in this unique reading experience--a coming-of-age story, historical account, and shamanic philosophy, but most of all an impassioned plea to respect native rights and preserve the Amazon rainforest. **Rebecca Hachette UK** The classic Gothic suspense novel by Daphne du Maurier -- winner of the Anthony Award for Best Novel of the Century -- is now a Netflix film starring Lily James and Armie Hammer. Last night I dreamt I went to Manderley again . . . The novel begins in Monte Carlo, where our heroine is swept off her feet by the dashing widower Maxim de Winter and his sudden proposal of marriage. Orphaned and working as a lady's maid, she can barely believe her luck. It is only when they arrive at his massive country estate that she realizes how large a shadow his late wife will cast over their lives--presenting her with a lingering evil that threatens to destroy their marriage from beyond the grave. "Daphne du Maurier created a scale by which modern women can measure their feelings." --Stephen King **Whiskey Women The Untold Story of how Women Saved Bourbon, Scotch, and Irish Whiskey Potomac Books, Inc.** The women who made & bootlegged whiskey **APPRECIATING WHISKY White Mule Press** Learn how to appreciate whisky like a connoisseur. Learn how distillation, chemistry and aging contribute to the final product. With science as the grounding, educating the palate via taste and smell provides further enjoyment. A Master Whisky course primer. **A Book of Golden Deeds Of All Times and All Lands Whiskey and Philosophy A Small Batch of Spirited Ideas Turner Publishing Company** Thoughtful essays on the history, significance, and pleasures of whiskey Everyone becomes a philosopher with a drink in hand, but Whiskey & Philosophy takes this natural pairing to a new level. It explores a range of philosophical topics related to whiskey through engaging reflections written by philosophers, whiskey writers, and others. You will learn things that are both practical (how do tasting notes vary across guides and whiskey brands?) and thought provoking (why is there the popular conception that drinking whiskey makes people mean, and is it true?). Whether your interest lies in the drink itself or in the philosophical issues surrounding it, you'll find something to interest you in this unusual book. Covers subjects ranging from geographical origin to stylistic differences between whiskey and Scotch Explores philosophical ideas such as the aesthetics, metaphysics, epistemology, and ethics of whiskey and whiskey drinking Includes contributions from academics, journalists, and whiskey specialists, all written in an engaging and accessible style Whether you prefer your whiskey neat or in a Manhattan, from the United States, Scotland, or elsewhere, Whiskey & Philosophy is your perfect drinking companion. **Born to Run The hidden tribe, the ultra-runners, and the greatest race the world has never seen Profile Books** At the heart of Born to Run lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons to try to learn the tribe's secrets and then take them on over a course 50 miles long. With incredible energy and smart observation, McDougall tells this story while asking what the secrets are to being an incredible runner. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark. **Michael Jackson's Complete Guide to Single Malt Scotch A Connoisseur's Guide to the Single Malt Whiskies of Scotland Running Press Book Publishers** Jackson's guide is a connoisseur's reference for single malt whiskies of Scotland, featuring tasting notes and ratings for more than 340 labels, along with details on matching these liquors with food. 35 photos, 3 maps. Full-color illustrations. **The Summer of the Bear Open Road + Grove/Atlantic** "A gently absorbing tale which smoothly splices poignant family drama with suspenseful Cold War thriller," from the author of Hunting Unicorns. (Daily Mail). In 1980 Germany, under Cold War tension, a mole is suspected in the British Embassy. When the diplomat Nicky Fleming dies--suddenly and

suspiciously—some find it convenient to brand him the traitor. As the government digs into Nicky's history, his wife Letty hopes to salvage their family by taking their three children to live on an island in Scotland's Outer Hebrides. But the isolated shores of her childhood retreat only intensify their distance, and it is Letty's youngest child, Jamie, who alone holds on to the one thing he's sure of: his father promised to return. And he was a man who never broke a promise. Named an O Magazine Summer Reading Pick and a selection for NPR's "Books with Personality," *The Summer of the Bear* reads like "García Márquez meets *le Carré* meets A.A. Milne at times, with hints of William Golding at others" (Kirkus Reviews, starred review). **The Book of Mackay Рипол Классик Blood and Whiskey The Life and Times of Jack Daniel John Wiley & Sons** The first-ever biography of the man who created America's most famous whiskey Born in Lynchburg, Tennessee, in 1850, Jack Daniel became a legendary moonshiner at age 15 before launching a legitimate distillery ten years later. By the time he died in 1911, he was an American legend-and his Old No. 7 Tennessee sipping whiskey was an international sensation, the winner of gold medals at the St. Louis World's Fair and the Liege International Exposition in Belgium. *Blood and Whiskey* captures Daniel's indomitable rise in the rough-edged world of the nineteenth-century whiskey trade-and shows how his commitment to quality (his whiskey was always charcoal-filtered) and his flair for marketing and packaging (he launched his distinctive square bottle in 189-5) helped create one of America's most venerable and recognizable brands. Peter Krass (Hanover, NH) is the author of *Carnegie* (0-471-46883-5), cited by Barron's as the "definitive" biography and selected by *Library Journal* as one of the best biography/business books of 2002. **Bog Child Random House** Digging for peat in the mountain with his Uncle Tally, Fergus finds the body of a child, and it looks like she's been murdered. As Fergus tries to make sense of the mad world around him - his brother on hunger-strike in prison, his growing feelings for Cora, his parents arguing over the Troubles, and him in it up to the neck, blackmailed into acting as courier to God knows what, a little voice comes to him in his dreams, and the mystery of the bog child unfurls. *Bog Child* is an astonishing novel exploring the sacrifices made in the name of peace, and the unflinching strength of the human spirit. **Memories and Portraits Unquiet Spirits: Whisky, Ghosts, Murder (A Sherlock Holmes Adventure, Book 2) HarperCollins UK** The new novel from the author of *Art in the Blood*. December 1889. Fresh from debunking a "ghostly" hound in Dartmoor, Sherlock Holmes has returned to London, only to find himself the target of a deadly vendetta. **Miss Peregrine's Home for Peculiar Children Quirk Books** Read the #1 New York Times best-selling series before it continues in *A Map of Days*. Bonus features • Q&A with author Ransom Riggs • Eight pages of color stills from the film • Sneak preview of *Hollow City*, the next novel in the series A mysterious island. An abandoned orphanage. A strange collection of very curious photographs. It all waits to be discovered in *Miss Peregrine's Home for Peculiar Children*, an unforgettable novel that mixes fiction and photography in a thrilling reading experience. As our story opens, a horrific family tragedy sets sixteen-year-old Jacob journeying to a remote island off the coast of Wales, where he discovers the crumbling ruins of *Miss Peregrine's Home for Peculiar Children*. As Jacob explores its abandoned bedrooms and hallways, it becomes clear that the children were more than just peculiar. They may have been dangerous. They may have been quarantined on a deserted island for good reason. And somehow—impossible though it seems—they may still be alive. A spine-tingling fantasy illustrated with haunting vintage photography, *Miss Peregrine's Home for Peculiar Children* will delight adults, teens, and anyone who relishes an adventure in the shadows. "A tense, moving, and wondrously strange first novel. The photographs and text work together brilliantly to create an unforgettable story."—John Green, New York Times best-selling author of *The Fault in Our Stars* "With its *X-Men: First Class*-meets-time-travel story line, David Lynchian imagery, and rich, eerie detail, it's no wonder *Miss Peregrine's Home for Peculiar Children* has been snapped up by Twentieth Century Fox. B+"—*Entertainment Weekly* "'Peculiar' doesn't even begin to cover it. Riggs' chilling, wondrous novel is already headed to the movies."—*People* "You'll love it if you want a good thriller for the summer. It's a mystery, and you'll race to solve it before Jacob figures it out for himself."—*Seventeen* **The Wonder Pan Macmillan** An eleven-year-old girl stops eating, but remains miraculously alive and well. A nurse, sent to investigate whether she is a fraud, meets a journalist hungry for a story . . . Set in the Irish Midlands in the 1850s, Emma Donoghue's *The Wonder* - inspired by numerous European and North American cases of 'fasting girls' between the sixteenth century and the twentieth - is a psychological thriller about a child's murder threatening to happen in slow motion before our eyes. Pitting all the seductions of fundamentalism against sense and love, it is a searing examination of what nourishes us, body and soul. **Now We Shall Be Entirely Free The Waterstones Scottish Book of the Year 2019 Hachette UK * WINNER OF THE HIGHLAND BOOK PRIZE ** SHORTLISTED FOR THE WALTER SCOTT PRIZE * The rapturously acclaimed new novel by the Costa Award-winning author of PURE, hailed as 'excellent', 'gripping', 'as suspenseful as any thriller', 'engrossing', 'moving' and 'magnificent'. One rainswept winter's night in 1809, an unconscious man is carried into a house in Somerset. He is Captain John Lacroix, home from Britain's disastrous campaign against Napoleon's forces in Spain. Gradually Lacroix recovers his health, but not his peace of mind. He will not - cannot - talk about the war or face the memory of what took place on the retreat to Corunna. After the command comes to return to his regiment, he lights out instead for the Hebrides, unaware that he has far worse to fear than being dragged back to the army: a vicious English corporal and a Spanish officer with secret orders are on his trail. In luminous prose, Miller portrays a man shattered by what he has witnessed, on a journey that leads to unexpected friendships, even to love. But as the short northern summer reaches its zenith, the shadow of the enemy is creeping closer. Freedom, for John Lacroix, will come at a high price. Taut with suspense, this is an enthralling, deeply involving novel by one of Britain's most acclaimed writers. 'His writing suspends life until it is read and is a source of wonder and delight' Hilary Mantel on *Casanova* in the Sunday Times **Passages from the American Note-books of Nathaniel Hawthorne Decanter Jane Eyre** The LitJoy Classics edition of *Jane Eyre* features a fully illustrated cover and interior end pages, five full-page illustrations, gold-color ribbon, custom slip cover, gilded gold page edges, and artwork by Felix Abel Klaer. **Hitching for Hope A Journey into the Heart and Soul of Ireland Chelsea Green Publishing** A modern travel tale—part personal pilgrimage, part political quest—that captures the power of human resilience "McKiernan sticks his thumb out, and somehow a healthy dose of humanity manages to roll up alongside him. . . . This book is a paean to nuance, decency and possibility."—Colum McCann, National Book Award winner and New York Times bestselling author of *Let the Great World Spin* and *Apeirogon*. Following the collapse of Ireland's Celtic Tiger economy, social activist Ruairi McKiernan questions whether he should join the mounting number of emigrants searching for greater opportunity elsewhere. McKiernan embarks on a hitchhiking odyssey with no money, no itinerary and no idea where he might end up each night. His mission: to give voice to those emerging from one of the most painful periods of economic and social turmoil in Ireland's history. Engaging, provocative and sincere, *Hitching for Hope* is a testimony to the spirit of Ireland. It is an inspirational manifesto for hope and healing in troubled times. **Into the Peatlands A Journey Through the Moorland Year Birlinn Ltd** In this book Robin A. Crawford explores the peatlands of Lewis. He explains how they have come to be and also considers how peat has been used for millennia, principally as a fuel but also, amongst other things, as a key element in the whisky-making process. In describing the seasonal processes of cutting, drying, stacking, storing and burning, he reveals one of the key rhythms of island life, but his study goes well beyond this to include many other aspects, including the wildlife and folklore associated with these lonely, watery places. Widening his gaze to other peatlands in the country, he also reflects on the historical and cultural importance that peat has played, and continues to play, in the story of Scotland. **Food Lit A Reader's Guide to Epicurean Nonfiction ABC-CLIO** An essential tool for assisting leisure readers interested in topics surrounding food, this unique book contains annotations and read-alikes for hundreds of nonfiction titles about the joys of comestibles and cooking. **Going Places A Reader's Guide to Travel Narratives ABC-CLIO** Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read-alikes with this detailed and expertly constructed guide. **World's Best Whiskies 750 Unmissable Drams from Tain to Tokyo White Lion Publishing** Revised and Updated. Whisky is one of the world's most revered spirits, with connoisseurs spending a great deal of money and time on the appreciation of rare expressions and limited edition bottles. In addition, many whisky connoisseurs travel direct to the source to see and experience the world's best distilleries at first hand. Since the publication of the first edition in 2010, many changes have occurred in the world of whisky which are fully explored in this completely new edition. Over 200 of the 750 whiskies are updated, along with over 20 of the 38 features to reflect the 'new world of whisky', from the growing US single malt craft distillery movement (including Balcones in Texas), Japan (Yoichi), Taiwan (Kavalan), India (Paul John), Australia (Overeem), France (Warengem) and Sweden (Mackmyra, Spirit of Hven). Aimed at beginners as well as connoisseurs, the book encompasses everything you need to know to increase your appreciation of this complex and fascinating spirit. Iconic distilleries such as Lagavulin, Highland Park and Glenrothes in Scotland are fully explored alongside the bourbon innovators of Kentucky such as Woodford Reserve and Maker's Mark. From global brands to tiny craft distillers, this book offers a comprehensive overview of the best dram the world over. **Last of the Puffermen Neil Wilson Publishing** For any fan of the exploits of Para Handy and the motley crew of the *Vital Spark*, this memoir is not to be missed. Keith McGinn's capers on the puffers off Scotland's West Coast are funnier than Neil Munro's tales at times, but they are also sadder too. The thing is, all of these stories are true. McGinn worked on those puffers, man and boy, for nearly 40 years and this is his story. He was there. Neil Munro's tales are classics and part of Scottish comic folklore, but they are a hundred years old. There have been faux tales published in recent times that have attempted to recreate Munro, but this is the real McCoy ... or rather, the real McGinn. There have also been various books and histories of the puffer trade but what has been lacking in them is the real story of the men who worked on these famous little Scottish ships. The story from their perspective is not known to many. They were men who could tell the tale of what it was really like to deliberately beach the boats, to discharge a coal by shovel and 'bucket', to sail the Minches in the dead of winter and occasionally repair to the pub for some relaxation. The puffer trade came to a sad end in 1994 but from 1966 until then Keith McGinn saw the trade through to its demise. He began as a deckhand on one of the traditional 66-ft 'classics' and ended his career as a master on a 600-tonne coaster all the while taking the necessities of life to the remote Highlands and Islands of Scotland. Keith McGinn does not glamourise this life but his story is full of tales of good humour and the special camaraderie of the puffermen. Nor does he minimise the tragedies and dangers of a life at sea in some of the most treacherous waters in the world. This is a tale well told, and well illustrated with rarely seen pictures of the puffers at work, by someone who has a gift for telling it the way it really was. **The Art Of Seduction Profile Books** Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. *The Art of Seduction* is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*. **Memories, Dreams, Reflections Vintage** An eye-opening biography of one of the most influential psychiatrists of the modern age, drawing from his lectures, conversations, and own writings. In the spring of 1957, when he was eighty-one years old, Carl Gustav Jung undertook the telling of his life story. *Memories, Dreams, Reflections* is that book, composed of conversations with his colleague and friend Aniela Jaffé, as well as chapters written in his own hand, and other materials. Jung continued to work on the final stages of the manuscript until shortly before his death on June 6, 1961, making this a uniquely comprehensive reflection on a remarkable life. Fully corrected, this edition also includes Jung's VII Sermones ad Mortuos. **The Land of the Ilich Journey's into Islay's Past Birlinn Ltd** As an archaeologist, Steven Mithen has worked on the Hebridean island of Islay over a period of many years. In this book he introduces the sites and monuments and tells the story of the island's people from the earliest stone age huntergatherers to those who lived in townships and in the grandeur of Islay House. He visits the tombs of Neolithic farmers, forts of Iron Age chiefs and castles of medieval warlords, discovers where Bronze Age gold was found, treacherous plots were made against the Scottish crown, and explores the island of today, which was forged more recently by those who mined for lead, grew flax, fished for herring and distilled whisky - the industry for which the island is best known today. Although an island history, this is far from an insular story: Islay has always been at a cultural crossroads, receiving a constant influx of new people and new ideas, making it a microcosm for the story of Scotland, Britain and beyond.**
