Meditations on the Life of Christ

"One of the most important devotional works of the Middle Ages and Renaissance, this book provided a major source for both visual and literary artists, as well as for preachers, contemplatives, and believers. The amazing number of manuscript sources attests to its far-reaching influence. Gospel accounts of Christ's life are supplemented by apocryphal material from a variety of sources, to provide in an inviting style a highly readable biography. The translation brings to life the pathos, humor, and wisdom of Caulibu's book while maintaining impeccable scholarship. The volume is further enhanced by eight full-color plates selected from the miniatures in MS 410, Corpus Christi College, Oxford."
