**THE KABUL BEAUTY SCHOOL**

Hachette UK The Kabul Beauty School is a remarkable tale of an extraordinary community of women, all of whom have stories to tell, who come together and learn the arts of perms, friendship, and freedom. Arriving in Afghanistan in 2002 with nothing more than a beauty degree and a desire to help, Deborah Rodriguez set out on a course of action that would change her life and those of many Afghan women. The once proud tradition of beauty schools had been all but destroyed and with it Afghani womens ability to support

themselves. As one of the founders of the Kabul Beauty School she set about training women and helping them rebuild their lives.

Step-by-step technicals: Photos and accompanying text help students visualize procedures as they move through every step of a process. The easy-to-follow format significantly raises self-confidence, making a seamless transition to hands-on applications. Real-life scenarios: On the last page of every chapter, we offer students a chance to apply their new knowledge. Hypothetical scenarios require students to use decision making skills mastered in that chapter. It is a chance for students to mentally leave the classroom and envision themselves as successful professionals. Key concepts: Throughout each chapter, we use imaginative ways to call attention to key points. Look for colored text, bold print, bullets, and charts. These relate to important theories your students must remember and makes chapter review for tests much easier! Learning strategy: More complex technicals include a checkmark beside any step that calls for specific safety precautions. This indicates an ideal moment to check on a client's comfort level. - Publisher.
