## Silence for the Dead

*Penguin “Portis House emerged from the fog as we approached, showing itself slowly as a long, low shadow....” In 1919, Kitty Weekes, pretty, resourceful, and on the run, falsifies her background to obtain a nursing position at Portis House, a remote hospital for soldiers left shell-shocked by the horrors of the Great War. Hiding the shame of their mental instability in what was once a magnificent private estate, the patients suffer from nervous attacks and tormenting dreams. But something more is going on at Portis House—its plaster is crumbling, its plumbing makes eerie noises, and strange breaths of cold waft through the empty rooms. It’s known that the former occupants left abruptly, but where did they go? And why do the patients all seem to share the same nightmare, one so horrific that they dare not speak of it? Kitty finds a dangerous ally in Jack Yates, an inmate who may be a war hero, a madman... or maybe both. But even as Kitty and Jack create a secret, intimate alliance to uncover the truth, disturbing revelations suggest the presence of powerful spectral forces. And when a medical catastrophe leaves them even more isolated, they must battle the menace on their own, caught in the heart of a mystery that could destroy them both.*

*Tor Nightfire A Most-Anticipated Title in Bustle, i09, LitHub, PopSugar, CrimeReads, BookRiot, GoodReads and more. STARRED Review in BookPage! Titanic meets The Shining in this SF horror novel in which a woman and her crew board a decades-lost luxury cruiser and find the wreckage of a nightmare that hasn't yet ended. Claire Kovalik is days away from being unemployed—made obsolete—when her beacon repair crew picks up a strange distress signal. With nothing to lose and no desire to return to Earth, Claire and her team decide to investigate. What they find is shocking: the Aurora, a famous luxury spaceliner that vanished on its maiden tour of the solar system more than twenty years ago. A salvage claim like this could set Claire and her crew up for life. But a quick search of the ship reveals something isn’t right. Whispers in the dark. Flickers of movement. Messages scrawled in blood. Claire must fight to hold on to her sanity and find out what really happened on the Aurora before she and her crew meet the same ghastly fate. “Truly un-put-downable in its purest sense.” Chloe Gong, #1 New York Times bestselling author of These Violent Delights At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.*

## Dead Silence

*MIRA New York Times and USA TODAY bestselling author Brenda Novak brings you a trilogy that Publishers Weekly called "a great read." Every town has its secrets—and Stillwater, Mississippi, has more than most! Starting with a murder almost twenty years ago... There's a body buried behind a Mississippi farmhouse Grace Montgomery knows who it is, and she knows why it happened. She was only thirteen the night it all went wrong. And now, like then, she has no choice but to keep her mouth shut. Grace left the town of Stillwater thirteen years ago, trying to forget, trying to make good. As an assistant D.A. in Jackson, she's finally achieved the success that was supposed to change her life. But it hasn't—so she's come back to confront her own history. Which means returning to the farmhouse now owned by her brother and facing the people of Stillwater, a number of whom suspect the truth. Widower Kennedy Archer is one of those people. He's running for mayor and needs to stay as far away from Grace as possible. And yet...she's an enigma he can't resist. Even though her enemies are close to finding out what really happened—and that could ruin them both.*

## Gypsy World

## The Silence of the Living and the Voices of the Dead

*University of Chicago Press For many of us, one of the most important ways of coping with the death of a close relative is talking about them, telling all who will listen what they meant to us. Yet the Gypsies of central France, the Manuš, not only do not speak of their dead, they burn or discard the deceased's belongings, refrain from eating the dead person's favorite foods, and avoid camping in the place where they died. In Gypsy World, Patrick Williams argues that these customs are at the center of how Manuš see the world and their place in it. The Manuš inhabit a world created by the "Gadzos" (non-Gypsies), who frequently limit or even prohibit Manuš movements within it. To claim this world for themselves, the Manuš employ a principle of cosmological subtraction: just as the dead seem to be absent from Manuš society, argues Williams, so too do the Manuš absent themselves from Gadzo society—and in so doing they assert and preserve their own separate culture and identity. Anyone interested in Gypsies, death rituals, or the formation of culture will enjoy this fascinating and sensitive ethnography.*

## Dead Silence and Other Stories of the Jeju Massacre

*Signature Books* The years 1945?1950 were turbulent times in Korea. Proponents of two very different ideologies were struggling for control of the country, and many innocent people were killed in the struggle. One of the most tragic and, until now, largely unknown events during this period occurred on Jeju Island in 1948. On April 3 of that year, a communist uprising that enjoyed significant support within the local communities was brutally suppressed by the police and military forces of the Korean government, with guidance from the American military. It is estimated that at least 30,000 people, many of them innocent civilians, were killed in the brutal massacre ordered by President Syngman Rhee. And yet very few people, either within or outside of Korea, have a clear understanding of the enormity of this event, for an eerie silence has surrounded it for the last 50 years. Islanders who survived the event have remained silent about it largely out of fear of how they might be implicated in it, or associated with the communist forces in Korea, if it were openly discussed. This is the story of ?The Jeju Massacre,? a story that needs to be told.The short stories by Hyun Kil-Un brought together in this collection are all set on Jeju Island in and around the time of the Jeju Massacre. Each story offers its own unique perspective on the events surrounding the massacre, and the connections between the stories provide readers with a deep, multi-faceted understanding of the incident. This fictional exploration of the Jeju Massacre dramatically illustrates how innocent people are the victims of ideologies, how truth can be concealed on such a large scale, and how the revelation of truth can be so subversive in society.This is the first English-language translation of this collection of stories by Hyun-Kil-Un. The stories assembled here are readily accessible to all readers of the English-language, but will be especially relevant to those with an interest in Korean literature, Korean history, Japanese colonialism, the communist movement, and Korean-American relations.**CONTENTS** ?The Dream of the Dragon Horse; ?Dawn?; ?Grandfather?; ?Fever?; ?The Homecoming?; ?Fire and Ashes?; ?Dead Silence?

## The Queen of the Dead

*Penguin Now available in omnibus format, the Queen of the Dead trilogy tells the gripping tale of a teenage girl who discovers her powers of necromancy after the death of her boyfriend. It began in the graveyard... Ever since her boyfriend Nathan had died in a tragic accident, Emma had been coming to the graveyard at night. During the day she went through the motions at her prep school, in class, with her friends, but that's all it was. For Emma, life had stopped with Nathan's death. But tonight was different. Tonight Emma and her dog were not alone in the cemetery. There were two others there-- Eric, who had just started at her school, and an ancient woman who looked as though she were made of rags. And when they saw Emma there, the old woman reached out to her with a grip as chilling as death.... Emma was not quite like other girls. It was true that other girls had experienced grief. Other girls had also lost their fathers, or had their boyfriends die in senseless accidents. But though she hadn't known it till that night in the graveyard, unlike those other girls, she could see, touch, and speak with the dead. Follow this gripping saga as Emma must learn to navigate her powers and the responsibilities that accompany them.*

## Thora Gudmundsdottir Book 6

*Hachette UK WINNER OF THE 2015 PETRONA AWARD A Sunday Times '100 best crime novels and thrillers since 1945' pick! The most chilling novel yet from the Queen of Nordic Noir, not to be missed for fans of Jo Nesbo and Stieg Larsson. 'Mummy dead.' The child's pure treble was uncomfortably clear. It was the last thing Brynjar - and doubtless the others - wanted to hear at that moment. 'Daddy dead.' It got worse. 'Adda dead. Bygga dead.' The child sighed and clutched her grandmother's leg. 'All dead.' A luxury yacht arrives in Reykjavik harbour with nobody on board. What has happened to the crew, and to the family who were on board when it left Lisbon? Thora Gudmundsdottir is hired by the young father's parents to investigate, and is soon drawn deeper into the mystery. What should she make of the rumours saying that the vessel was cursed, especially given that when she boards the yacht she thinks she sees one of the missing twins? Where is Karitas, the glamorous young wife of the yacht's former owner? And whose is the body that has washed up further along the shore?*

## The Body Finder

*Hachette UK* *Violet Ambrose is grappling with two major issues: Jay Heaton and her morbid secret ability. While the sixteen-year-old is confused by her new feelings for her best friend, she is more disturbed by her "power" to sense dead bodies - or at least those that have been murdered. Since she was a little girl, she has felt the echoes the dead leave behind in the world...and the imprints that attach to their killers. Violet has never considered her strange talent to be a gift, but now that a serial killer is terrorizing her small town Violet realizes she might be the only person who can stop him. Despite his fierce protectiveness over her, Jay reluctantly agrees to help Violet find the murderer - and Violet is unnerved by her hope that Jay's intentions are much more than friendly. But even as she's falling in love, Violet is getting closer to discovering a killer...and becoming his prey herself.*

Painter's Creek, Ohio may be a sleepy, rural town with both Amish and 'English' residents, but it's also the place where a series of brutal murders shattered the lives of an entire community over a decade ago. When the killing stopped, it left in its aftermath a sense of fragility, and for the young Amish girl, Katie Burkholder, a realization that she didn't belong. Now, 15 years, two dead parents and a wealth of experience later, Katie has been asked to return as Chief of Police. Her Amish background combined with her big-city law enforcement expertise make her the perfect candidate. Katie is certain she has come to terms with the past. Until the first body of a slaughtered young woman is found in a pristine, snowy field...*

## Speaking With the Dead

## Explorations in Literature and History

*Edinburgh University Press* *This book deals with the special power of literary texts to put us in contact with the past. A large number of authors, coming from different ages, have described this power in terms of 'the conversation with the dead': when we read these texts, we somehow find ourselves conducting a special kind of dialogue with dead authors. The book covers a number of texts and authors that make use of this metaphor - Petrarch, Machiavelli, Sidney, Flaubert, Michelet, Barthes. In connecting these texts and authors in novel ways, Jurgen Pieters tackles the all-important question of why we remain fascinated with literature in general and with the specific texts that to us are still its backbone. Siituated in the aftermath of New Historicism, the book challenges the idea that literary history as a reading practice stems from a desire to 'speak with the dead'.Key Features\* Offers a broad survey (a combination of classical literature, Renaissance literature and modern theory and history)\* Issues a plea for the importance of reading literary texts and the power of literature\* Discusses key figues from the Western canon - Homer, Virgil, Dante, Machiavelli - in light of the idea that we can learn from the past by talking to 'the dead'\* Combines theoretical discussions of the relationsip between literature and history with close reading of works by major literary authors and historians.*

## The Great Silence

## Britain from the Shadow of the First World War to the Dawn of the Jazz Age

*Open Road + Grove/Atlantic This account of British life in the wake of World War I is “social history at its very best . . . insightful and utterly absorbing” (Minneapolis Star-Tribune). As the euphoria of Armistice Day in 1918 quickly subsided, there was no denying the carnage that the Great War had left in its wake. Grief and shock overwhelmed the psyche of the British people—but from their despair, new life would slowly emerge. For veterans with faces demolished in the trenches, surgeon Harold Gillies brings hope with his miraculous skin-grafting procedure. Women win the vote, skirt hems leap, and Brits forget their troubles at packed dance halls. And two years later, the remains of a nameless combatant would be laid to rest in the Tomb of the Unknown Soldier at Westminster Abbey, as “The Great Silence,” observed in memory of the countless dead, halted citizens in silent reverence. This history of two transformative years in the life of a nation features countless characters, from an aging butler to a pair of newlyweds, from the Prince of Wales to T.E. Lawrence, the real-life Lawrence of Arabia. The Great Silence depicts a nation fighting the forces that threaten to tear it apart and discovering the common bonds that hold it together. “A pearl of anecdotal history, The Great Silence is a satisfying companion to major studies of World War I and its aftermath . . . as Nicolson proceeds through the familiar stages of grief—denial, anger and acceptance—she gives you a deeper understanding of not only this brief period, but also how war’s sacrifices don’t end after the fighting stops.” —The Seattle Times “It may make you cry.” —The Boston Globe*

## In the Silence

*Anna Scavolini hasn't set foot in Glasgow for ten years - and she's not short of reasons... On her first night back in town, what should have been the start of a relaxing Christmas getaway takes a decidedly macabre turn when she stumbles upon an old flame, Andrew Foley, bleeding to death on the snow-clad slopes of Kelvingrove Park. Who killed Foley in such a brutal manner - and why? If the police have any leads, they're keeping them under wraps. Convinced that Foley was deliberately targeted rather than the victim of a random attack, Anna begins her own investigation, and in so doing unearths a trail of long-buried secrets, leading back to a crime committed over a decade ago. A crime so unspeakable its perpetrators are prepared to take their silence to the grave. In the Silence is a fast-paced, compelling crime mystery which will appeal to fans of authors like Mark Billingham, Stuart MacBride and Mark Edwards. Shortlisted for the Bloody Scotland Debut Prize and longlisted for the McIlvanney Prize, 2019. Praise for M.R. ## The Story of James Hanratty and the A6 Murder by Valerie Storie, the Woman Who Lived to Tell the Tale

*22-year-old Valerie Storie and her fiancé, 36-year-old Michael Gregsten, were the victims of gunman, James Hanratty, 60 years ago in the notorious 'A6 Murder'. After a 5-hour ordeal, ending in a lay-by on the A6 in Bedfordshire, Michael was shot dead; and Valerie was raped, shot and left for dead. She survived, but was paralysed and in a wheelchair until her death in 2016. In 1962, Hanratty became one of the last men in the UK to be hanged, so unleashing 40 years of fierce and passionate debate, as many were convinced of his innocence. Valerie, however, was never in any doubt, and easily picked out Hanratty in an identity parade. She always intended to write a book, to which end she had secretly over the years drafted its contents, written hundreds of notes, and made numerous tape recordings. Yet for over 50 years she gave no interviews, despite persistent media pressure to do so. The Long Silence is, in essence, Valerie's posthumous autobiography, explaining for the first time every explicit detail of those 'cat and mouse' five hours, as Michael and Valerie tried on 22 occasions to deter and thwart the apparently indecisive Hanratty.*

## Break the Silence

## A totally addictive crime thriller

*Bookouture Her head throbbed as she stumbled up the stairs. Music vibrating and the sound of partygoers fill her head as she walks into one of the dark, empty rooms. As she sits on the bed, she hears the unmistakable sound of the door locking behind her. She is not alone. The body of college student Chrissie Lowe lies curled into a ball - long red cuts along her arms suggesting how she had met her death. Detective Jenna Alton is called in to investigate. Purplish bruising on Chrissie's upper arms and thighs make Jenna believe there is more to Chrissie's death than others suspected, and she soon finds herself following the trail of the student's last few moments, leading her to the scene of a party that had ended just hours before Chrissie's body was found. When Jenna hears reports that Chrissie was seen going into the bedroom of a college football star, she knows that finding out what went on behind that closed door could be the key to finding out how Chrissie ended up dead. But then another partygoer dies in an apparent accident at the campus gym just hours later, and Jenna is convinced the deaths are connected. Facing a wall of silence from the student population, Jenna has to act fast*

to find the killer, but soon another student is found dead on the campus. As Jenna sends in one of her deputies undercover, she prays that she hasn't just sealed his fate. Can she find the killer before any more lives are taken? Fans of Lisa Regan, Karin Slaughter and Rachel Abbott will love this totally gripping page-turner from bestselling crime author D.K. Hood. ## Into The Silence

## The Great War, Mallory and the Conquest of Everest

Random House WINNER OF THE 2012 SAMUEL JOHNSON PRIZE A monumental work of history, biography and adventure - the First World War, Mallory and Mount Everest 'The price of life is death' For Mallory, as for all of his generation, death was but 'a frail barrier that men crossed, smiling and gallant, every day'. As climbers they accepted a degree of risk unimaginable before the war. What mattered now was how one lived, and the moments of being alive. While the quest for Mount Everest may have begun as a grand imperial gesture, it ended as a mission of revival for a country and a lost generation bled white by war. In a monumental work of history and adventure, Davis asks not whether George Mallory was the first to reach the summit of Everest, but rather why he kept climbing on that fateful day.
