SUBMISSIVE TRAINING

23 THINGS YOU MUST KNOW ABOUT HOW TO BE A SUBMISSIVE. A MUST READ FOR ANY WOMAN IN A BDSM RELATIONSHIP

Living Plus Healthy Publishing Nothing will prepare you for a life of submission in the same way as your formal training. Submissive training isn't just a "good idea" when it comes to creating a BDSM relationship. It is essential. "Submissive Training: 23 Things You Must Know About How To Be A Submissive" is designed to help you know what to expect when you go through training with a new Dom. Every couple is unique and every Dom may have different ways of teaching you the systems of service he prefers. However, these are the basics all trained subs and slaves learn and employ in daily life. Rushing into a relationship or service contract with a Dom without training puts the future of your time together at risk. All of the arguments, resistance, misunderstandings and hurt feelings that go with a new submissive's experiences can be eradicated by a period designated for learning, listening, trial and error. Even if you have been with a previous Dom you will need to go through an abbreviated training time to ensure your patterns and understandings match one another. Training is a way to "get in the same rhythm" and find the perfect groove. If you are a Dom, this guide is the perfect gift to give to your new sub. If you are a sub, this guide will teach you how to go through your submissive training. As you go through these things on the journey to become the woman you were made to be, you will be tested but you will also be proud, joyful and, perhaps for the first time in your life, you will be at peace.

HOW TO BE A HEALTHY AND HAPPY SUBMISSIVE

CreateSpace Beyond any shades of grey, there's an entire kinky world of BDSM, full of real life dominants and submissives enjoying an intimacy and satisfaction in their relationships that vanilla folk only dream of. Whether you want to explore your own submissive fantasies, or you're just curious about what BDSM is really like, this book will answer all your questions, plus some you didn't know you had. Erotic author Kate Kinsey ("Red," and "The Totally Uncensored Kinky Adventures of Chloe St. Claire, Sex Slave") brings over a decade of experience as a submissive and kinky educator to this practical step-by-step guide to being a healthy and happy submissive. Topics covered include: the differences between dominants and masters, submissives and slaves, and tops and bottoms; the different dominant styles; the truth about "training" to be a submissive; how to find like-minded folks in your area; how to negotiate scenes and relationships; what to expect at your first dungeon party; why some people actually enjoy pain; and the warning signs to look out for when talking to potential partners. "Kinsey has written a no-nonsense guide that thoroughly explains the various kinks and fetishes that come under the umbrella of BDSM. Most importantly, she emphasizes the importance of protecting yourself along the way with knowledge, friends and self-awareness." "This is not fiction, but reality. Kate Kinsey has the experience to tell it like it is, not the way some vanilla writer imagines it to be."

CONQUER ME

GIRL-TO-GIRL WISDOM ABOUT FULFILLING YOUR SUBMISSIVE DESIRES

SCB Distributors Submissive women have needs just like anybody else. But how can a woman get her needs met when she's relinquished her power to her dominant partner? With warmth, wisdom and a down-to-earth approach, experienced submissive Kacie Cunningham analyzes the realities of the dominant-submissive lifestyle and suggests ways in which both partners can experience the greatest possible growth and pleasure. At the heart of the book is an emotion Kacie has dubbed "Conquer Me" -- which she defines as "the submissive's internal demand for a show of strength." Without a clear understanding of "conquer me," both submissive and dominant may find themselves at odds -- either fighting unhappily, or watching the passion ebb from their relationship. This book explains this unique need and how to get it met -- essential knowledge for any submissive or couple who wants to get the most out of their D/s lifestyle.

SUBMISSIVE'S GUIDE TO BDSM VOL. 3

89 ADVANCED TOPICS EVERY SUB MUST KNOW BEFORE SUBMISSIVE TRAINING

Enlightened Publishing One thing we can all agree on in our "safe, sane and consensual" lifestyle is that punishment must feel good. Pain must ultimately be pleasurable. And any sort of masochism or sadism must work in the context of pleasing the sub. In BDSM culture, it seems relatively easy to get the hang of the attitude, the behavior and the words. But in terms of logistics, as in how to properly discipline or punish a sub, things do get a bit more complicated. And that's why we're devoting this entire book on how to play right and how to punish the sub so that she likes it, rather than the Dom abusing her and violating trust—the ultimate sin in the game of discipline. We're also going to cover some of the more "fringe" topics of BDSM, including health risks, extreme pain, unique psychological states and how you as a sub can protect yourself. This will be of crucial interest to you as a sub or switch or Dom, since it's best to understand the logistics and motivations of both roles before you fully submit. You may also discover that as you take precautions and grow in knowledge, more extreme practices may appeal to you. At the very least, you will always know what a Dom means by some of these code words and what they imply sexually or in punishment. It's always a good idea to stay informed and never take chances—never assume anything! Because in BDSM, assuming anything of your Dom can be a big mistake. To get truly healthy and pleasurable BDSM experience, these are the topics you surely don't want to miss!

THE CONTROL BOOK

Createspace Independent Pub The Control Book is about the fine art of taking control of your partner. It's about the processes involved, about taking control, using control, about ensuring that you have control, and-importantly-about giving control back once you are done with it. The book discusses how this works-the psychology of it-and looks at what can go right, and at what can go wrong and how to fix it. It considers the role of authority in the equation, and looks at how to manage the control you have over someone so that it is both effective and rewarding for you both. I believe that a very large part of the activities which we include under the umbrella of BDSM rely explicitly or implicitly on control being asserted over one person by another. My goal in this book is to talk about control, explain what it is, demonstrate it, show how to take it, how to give it, how to manage it, and more. I want you, the reader, to be aware of the ebb and flow of control around you and through you.

HOW TO TRAIN YOUR DOMINANT: A SUBMISSIVE

Independently Published A different, and important, take on the common "How to train your Submissive" BDSM books. Are you an unsatisfied Submissive? Do you want more out of your BDSM relationship? Is your Dominant misbehaving? Do you want to enter into the realm of sexual Submission and do you want to know how to get the most out of it? You've come to the right place!BDSM is a common occurrence that is practiced by millions of people under different parameters. Many people are first introduced to the concept of BDSM, kinks and fetishes through films, television or social media. This often leads people to having a skewed understanding of the lifestyle, BDSM community and BDSM practices. Many people believe that BDSM is in someway perverted or outside the realms of 'normal' adult sexual activity. This is not the case however as BDSM can take many different forms. The media often portrays BDSM practitioners as untrustworthy and abusive - this could not be further from the truth. The media portrayal of BDSM often leads people to feel ashamed which leads them to not pursue their BDSM desires. It is perfectly normal and healthy to want to be a Dominant or a Submissive within a BDSM relationship. It is commonly believed that the relationship between a Submissive and their Dominant has elements of nonconsensual action and that the Submissive will be, constantly or occasionally, forced to act out sexual scenarios and sexually behave in ways they do not desire. It is commonly believed that the Submissive has no power in the relationship and no say on how they are treated. This false idea will be challenged, explained and explored within this book. Within this book you will find a brief overview of what BDSM actually is and how you can apply it into your relationships. This book also aims to shine a light on many of the common misconceptions held about BDSM, Submissives and Dominants. "BDSM: How To Train Your Dominant: A Submissive's Guide To Training Their Dom Without Ruining The Power Dynamic Of Their BDSM Relationship," by Maxwell Diamond is an essential gift for any Submissive wanting to take their BDSM relationship to the next level. This book can also give a Dominant a good understanding of a Submissive. This book includes sections on: - Consent - Pain vs. Pleasure - Submission -Domination - Who holds the Power in a BDSM relationship - Guidelines on keeping a BDSM relationship productive, safe and satisfying - Much more A perfect Christmas present for anyone into BDSM, naughty sex, kinks, fetishes and Submission.

DOM'S GUIDE TO SUBMISSIVE TRAINING

25 THINGS YOU MUST KNOW ABOUT YOUR NEW SUB BEFORE DOING ANYTHING ELSE

There are two foundational pillars of a BDSM relationship between a Dom and a sub: consent and trust. Everything else in the relationship - the fun, the love, the discipline, the eroticism, the tears and the journey - are all built on those standards. Both consent and trust require honest communication in order to thrive. The vast majority of that communication begins long before the training begins. In "Dom's Guide to Submissive Training Vol. 2," I listed 25 things you must know about your new sub if you want to create a satisfying relationship with a devoted submissive. It's not enough to just ask "What do you like?" or "Would you like to be my sub?" You need to know things about your sub that are deeper, more practical and helpful. Without the knowledge of these 25 things, you may be able to create momentarily excitement but it will surly turn into a frustrating short-term relationship headed for drama, disaster and end. 25 THINGS YOU MUST KNOW ABOUT YOUR NEW SUB BEFORE DOING ANYTHING ELSE. A MUST READ FOR ANY DOM/MASTER IN A BDSM RELATIONSHIP

It's not enough to just ask "What do you like?" or "Would you like to be my sub?" You need to know things about your sub that are deeper, more practical and helpful.
