**English World 3 Work Book God's Promises for Girls** Thomas Nelson *An easy way to help young girls see God's promises and how they can rely on His love in their daily lives. The promise verses in this book are selected from the best-selling International Children's Bible® to offer comfort and encouragement when a girl is feeling afraid, lonely, worried, angry, dissatisfied, discouraged, sad, rebellious, impatient, or sick . . . and when they need reassurance of God's protection, love, forgiveness, help . . . and that He listens when they pray. It's a great way for children to hide God's Word in their hearts. Sample text: Monsters. Spiders. Being alone. Do any of these things make you feel afraid? When you start to feel fear, hold on tight to these words: God promises to take your fear away! "So don't worry, because I am with you. Don't be afraid, because I am your God. I will make you strong and will help you. I will support you with my right hand that saves you." Isaiah 41:10* **God's Not Dead Evidence for God in an Age of Uncertainty** Thomas Nelson *The Evidence Behind the Hit Movie The goal of God's Not Dead: Evidence for God in an Age of Uncertainty is straightforward: to help readers develop "a faith that is real and credible—and strong enough to help others find faith in God." To that end, Rice Broocks outlines a roadmap that guides seekers to acknowledge the most basic truths of Christianity: There is overwhelming and exciting evidence for God's existence The God who exists is indeed the God of the Bible God has revealed his nature through his Son, Jesus Christ As shown during the movie, this is the original book on which the main character bases much of his debate points with the atheistic professor. Persuasive arguments crafted with tools borrowed from logic, science, and philosophy, as well as*

scripture, solidify the faith of the Christian reader and provide starting points for discussions with skeptics. With clear, easy-to-follow explanations of key concepts and controversies, *God's Not Dead* is apologetics for the twenty-first century, presented in layman's terms. Readers will be empowered not only to talk about their own faith with confidence but to lead others to a relationship with Jesus.

**101 Activities for Kids in Tight Spaces At the Doctor's Office, on Car, Train, and Plane Trips, Home Sick in Bed . . .** St. Martin's Griffin

*You can never have enough space. And if you can't, just think of your kids--all the time they have to spend in tight spaces--like cars, planes, trains, the doctor's office, the grocery store, being sick or housebound, waiting in line. Kids need room to move around, but there are many times when they just plain can't have it. While raising two exuberant boys, teaching preschool, leading Cub Scouts, and running a birthday party business, Carol Stock Kranowitz came up with savvy, creative ways to keep kids content in tight spaces. In 101 Activities for Kids in Tight Spaces, her activity ideas combine old standbys with new ones born of desperation and cramped quarters. They follow a philosophy that helps kids develop their different skills and abilities while entertaining themselves and interacting. You'll find great projects for every imaginable small space parents and children encounter: Fun Food for Tiny Kitchens: Ants on a Log, Footprints in the Snow, and Aiken Drum Faces In the Urban Community: Windowsill Garden, Bug Jar, and Corn-on-the-Sponge When the Walls Seem to Be Closing In: Pillow Crashing, People Sandwich, and Teeter-Totter When what you've got is a small space and a restless child, what you need are 101 ingenious solutions--right away. **Queen's Adept** Sportula Ediciones *The People's Covenant and God's Hammer have raged a Cold War that has lasted for over twenty years. A war without armies, where battles are fought in the dark and information is the most dangerous weapon. In this world—which sometimes seems the Middle Ages, sometimes the Renaissance and sometimes the Nineteenth Century—lives Yáxtor Brandan, empirical adept at the service of the Queen of Alboné. A relentless, amoral and unscrupulous character, Yáxtor fights to recover his own past as he tries to prevent a new player in the espionage game to end the world, as he knows it. A fascinating fast-moving and complex plot, full of tension and surprises and excellently paced; a main character for whom it should be impossible to feel the slightest sympathy, and yet somehow we do, even as his cruelty disturbs us more and more -an extremely difficult feat to pull off so successfully; powerful secondary actors, who either leave you with a sense of uneasiness with regard to their motivations and loyalties, or make you want to shout out -as people did in the early days of cinema- "Look out, don't trust him!"; and a pervading atmosphere of tragedy, especially in a final unexpected and shocking, yet on reflection almost inevitable, scene. In short, a totally addictive and highly original novel set in a world that is at once both strangely familiar and disturbingly alien. —Steve Redwood, author of Fisher of Devils. **La dieta del amor Recetas para el amor irresistible y sensual** Rayo *La dieta del amor no es una dieta para bajar de peso o para lucir más joven y esbelta. It carefully distinguished some kinds of charismatically-inclined Christians from others. It poses questions with which every Church member is faced. Chantry's answers tally with those of the greatest leaders of the Church during the Christian centuries.
