# National Identities and Post-Americanist Narratives

*Duke University Press* National narratives create imaginary relations within imagined communities called national peoples. But in the American narrative, alongside the nexus of belonging established for the national community, the national narrative has represented other peoples (women, blacks, "foreigners", the homeless) from whom the property of nationness has been removed altogether and upon whose differences from them the national people depended for the construction of their norms. Dismantling this opposition has become the task of post-national (Post-Americanist) narratives, bent on changing the assumptions that found the "national identity." This volume, originally published as a special issue of *boundary 2*, focuses on the process of assembling and dismantling the American national narrative(s), sketching its inception and demolition. The contributors examine various cultural, political, and historical sources--colonial literature, mass movements, epidemics of disease, mass spectacle, transnational corporations, super-weapons, popular magazines, literary texts--out of which this narrative was constructed, and propose different understandings of nationality and identity following in its wake. Contributors: Jonathan Arac, Lauren Berlant, Robert J. Corber, Elizabeth Freeman, Kathryn V. Lingberg, Jack Matthews, Alan Nadel, Patrick O'Donnell, Daniel O'Hara, Donald E. Pease, Ross Posnock, John Carlos Rowe, Rob Wilson

## The Latest Early American Literature

*Rowman & Littlefield* The Latest Early American Literature, according to readers for the University of Delaware Press, is "a collection of polemics and manifestoes." In it R. C. De Prospe bids to follow in the footsteps of the two, rare, early Americanist dissenters whom Philip F. Gura once distinguished as "prophets without honor in the field": William Spengemann and Michael Colacurcio. The book

contends that a supposedly retired nationalist/modernist “telos” continues to reign in most of the latest scholarship, and even more influentially in all of the current literary histories and anthologies, no matter how expansive in gender, ethnic, racial, and “hemispheric” inclusiveness they profess to be. Old teloi, in particular that old American exceptionalist one, can be cunning. Updating and expanding upon essays written over the past thirty years, De Prosopo proposes not only negatively to critique how the latest scholarly receptions of early American literature differ insignificantly from the earlier ones, but positively to propose how a transnationalist concession—that as a neocolonial culture America’s lags behind that of Europe—might advance post-modern historiography by radically repositioning the past as no longer the present’s diachronic predecessor but, to quote Lyotard’s semiotics, its synchronic “differend.” Closer to earth, De Prosopo tries at the same time to remain mindful of the pedagogical imperative that ultimately to save the texts of early American literature will require making them legible to average non-specialist, never-to-become specialist undergraduate general education students. To facilitate this he introduces in the concluding section of *The Latest Early American Literature* what will probably be taken as its most radical intervention: the redefinition of Edgar Allan Poe as an early American writer.

## Finn

*Unmediated Ink* This is the 10th-Anniversary Edition of *Finn*, with a new introduction by Jared Leto. In this masterful debut, Jon Clinch takes us on a journey into the history and heart of one of American literature's most brutal and mysterious figures: Huckleberry Finn's father. The result is a deeply original tour de force that springs from Twain's classic novel but takes on a fully realized life of its own. *Finn* sets a tragic figure loose in a landscape at once familiar and mythic. It begins and ends with a lifeless body-flayed and stripped of all identifying marks-drifting down the Mississippi. The circumstances of the murder, and the secret of the victim's identity, shape *Finn*'s story as they will shape his life and his death. Along the way Clinch introduces a cast of unforgettable characters: *Finn*'s

terrifying father, known only as the Judge; his sickly, sycophantic brother, Will; blind Bliss, a secretive moonshiner; the strong and quick-witted Mary, a stolen slave who becomes Finn's mistress; and of course young Huck himself. In daring to re-create Huck for a new generation, Clinch gives us a living boy in all his human complexity-not an icon, not a myth, but a real child facing vast possibilities in a world alternately dangerous and bright. Finn is a novel about race; about paternity in its many guises; about the shame of a nation recapitulated by the shame of one absolutely unforgettable family. Above all, Finn reaches back into the darkest waters of America's past to fashion something compelling, fearless, and new. Praise for Finn "A brutal, shocking and epic look in the mirror for all Americans."- Jared Leto, from the introduction "Ravishing...and a stand-alone marvel of a novel. Grade: A."- Entertainment Weekly "Clinch treads dangerous ground in making one of America's greatest novels his jumping-off point, but he brings it off magnificently."- Dallas Morning News "Clinch's riverbank Missouri feels postapocalyptic, and his Pap Finn is a crazed yet wily survivor in a polluted landscape."- Newsweek "Finn strikes its most original chords in its bold imagining of possibilities left unexplored by Huckleberry Finn."- Austin American-Statesman "An inspired riff on one of literature's all-time great villains."- New Orleans Times-Picayune "A jolting companion to the mischievous antics of Huckleberry Finn."- Christian Science Monitor "A triumph of successful plotting, convincing characterization and lyrical prose."- Rocky Mountain News "Shocking and charming, A folk-art masterpiece."- New York Post "Disturbing and darkly compelling."- Hartford Courant "Jon Clinch pulls off the near impossible in his new novel, which brings Huck's dad to life in all his terrible humanness."- Winston-Salem Journal "Every fan of Twain's masterpiece will want to read this inspired spin-off, which could become an unofficial companion volume."- Library Journal, starred review "Finn is as dark, as brutal, as ambivalent, and as insane as the history and legacy of American racial slavery."- Mary Gaitskill, author of Veronica "Clinch's tale is not only filled with echoes of the great American classic to which it is tied; it is destined to become one itself."- Sara Gruen, author of Water for Elephants

# Honoring My Journey

## Memoir/Family History

Abbott Press Author Barbara Gray Armstrong came of age during Jim Crow when the color line was clearly drawn and America was divided into black and white. Black people were denied rights and endured discrimination. In Honoring My Journey, she weaves together both personal and public events as an exploration of what it was like being black in America. In this memoir, she shares stories from her youth, growing up in the 1950s and '60s in the South and prospering despite widespread bigotry. Representing just a slice of her life, Honoring My Journey narrates experiences with her parents, siblings, grandparents, friends, and classmates and of working as a nanny for a white family. Armstrong blends the details of her family and family history into a larger, societal context to tell a story that is both personal and universal. Honoring My Journey provides insight into what it was like growing up during such a turbulent time in the nation's history.
