#### UNCHARTED: THE FOURTH LABYRINTH

[Del Rey](#) The official novel of *Naughty Dog's* award-winning videogame franchise! In the ancient world there was a myth about a king, a treasure, and a hellish labyrinth. Now the doors to that hell are open once again. Nathan Drake, treasure hunter and risk taker, has been called to New York City by the man who taught him everything about the "antiquities acquisition business." Victor Sullivan needs Drake's help. Sully's old friend, a world-famous archaeologist, has just been found murdered in Manhattan. Dodging assassins, Drake, Sully, and the dead man's daughter, Jada Hzujak, race from New York to underground excavations in Egypt and Greece. Their goal: to unravel an ancient myth of alchemy, look for three long-lost labyrinths, and find the astonishing discovery that got Jada's father killed. It appears that a fourth labyrinth was built in another land and another culture—and within it lies a key to unmatched wealth and power. An army of terrifying lost warriors guards this underground maze. So does a monster. And what lies beyond—if Drake can live long enough to reach it—is both a treasure and a poison, a paradise and a hell. Welcome to *The Fourth Labyrinth*.

### THE GUN BOOK FOR GIRLS

---

[Down East Books](#) This third installment in the popular series of practical books about guns and shooting is aimed at women of all ages—the fastest-growing segment of the sport—and it couldn't come at a better time. America and firearms literally grew up together, but today guns are often simply linked to crime and violence; gun control has become a polarizing political issue; and misinformation about firearms is spreading. Now three experts have tackled the subject in a series of books that explores the realities of guns and shooting and sets the record straight about some common misconceptions. On the heels of *The Gun Book for Boys* and *The Gun Book for Parents*, *The Gun Book for Girls* is for girls (and women) interested in guns and shooting but who have little or no background in firearms. Through example and anecdote, the book emphasizes safety and proper usage, and it defines terms and provides hands-on advice about using and maintaining guns. It also covers firearms, shooting methods, clothing and accessories for women, profiles females who shoot and who work in the gun trade, and discusses the issues around guns for self-defense (a topic of special interest to women). Like the other two titles, this book is non-political and written in an easy-to-understand conversational tone. Each book is thoroughly illustrated, and content is presented in easily managed portions that can be read in series or singly, all backed up with an index.

### BOOK 2: SADIE THE SHEEP DISAPPEARS WITHOUT A PEEP!

---

[Simon and Schuster](#) Mimi and her three-legged dog Maty are determined to help rescue any animal that needs help. Armed with their trusty animal rescue notebook, Mimi and Maty set out to find their beloved sheep Sadie, who has gone missing at Aunt Bee's farm. Mimi keeps track of all of the clues she and Maty find during their search for Sadie. Along with their friends Henry and Finn (Maty's puppy crush), this dynamic team of animal rescuers race against time to find Sadie before she has her baby! But will they find Sadie in time? Or will Mimi's nemesis, Icky Vicky, get in the way? Inspired by real-life Mimi Ausland (founder of freekibble.com) and her special three-legged dog Maty, this is the exciting and much-anticipated second book in the Mimi and Maty series (the recipient of the 2013 Bookies Bravo Award given to books with positive impact by Milk + Bookies). Mimi's dedication to helping animals and her meticulous detective skills are sure to inspire young animal lovers and budding private eyes of all ages! Second grade through fourth grade readers are the primary target audience for the book, though it's a story that the advanced early elementary student will be excited to sit through and listen to, picking out words they are learning. Parents will love the important lessons inside, including following through on goals, being an individual, and helping others. There is a strong message of animal advocacy and pet rescue throughout, which reflects the mission of Freekibble.com, Mimi Ausland's nonprofit company. Those who loved the first book in the series will be sure to enjoy the second installment of Mimi and Maty's adventures rescuing animals and solving mysteries. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers, picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

### THE BURNING

---

[Pinnacle Books](#) **THE GREATEST WESTERN WRITER OF THE 21ST CENTURY** William W. Johnstone's Last Gunfighter novels have made him a national bestselling author and confirmed his standing as America's most popular chronicler of the Wild West—and of the men and women who tamed it. Now, he brings his gritty, hard-edged vision of the frontier to a story of greed, power, and courage, as a beautiful land is caught in the grips of a dirty little war . . . The Burning When Frank Morgan sets up camp in a lush valley in Montana, the last thing he expects to see is fires lighting up the night sky as fields, farms and homes are torched by so-called "range detectives" working for two powerful ranchers. For the ranchers, the battle lines have been drawn in the form of newly settled farmland that's cutting through the ranges, separating cattle from grazing land and water. But the settlers are breaking no law, and no one is going to prevent them from building their homes and towns—until the ranchers turn to a pair of vicious mercenaries who won't stop until they run out of bullets. Now, Frank Morgan finds himself taking gun in hand once more to help folks who desperately need it. Having fought his way across the frontier, he knows his time may be up—but anyone fixing to kill the last gunfighter had better to be ready to die.
