**THE JEW WHO DEFEATED HITLER**

---

**HENRY MORGENTHAU JR., FDR, AND HOW WE WON THE WAR**

---

Prometheus Books President Franklin D. Roosevelt coined the slogan “The Arsenal of Democracy” to describe American might during the grim years of World War II. The man who financed that arsenal was his Secretary of the Treasury, Henry Morgenthau Jr. This is the first book to focus on the wartime achievements of this unlikely hero—a dyslexic college dropout who turned himself into a forceful and efficient administrator and then exceeded even Roosevelt in his determination to defeat the Nazis. Based on extensive research at the FDR Library in Hyde Park, NY, author Peter Moreira describes Morgenthau’s truly breathtaking accomplishments: He led the greatest financial program the world has ever seen, raising \$310 billion (over \$4.8 trillion in today’s dollars) to finance the war effort. This was largely done without the help of Wall Street by appealing to the patriotism of the average citizen through the sale of war bonds. In addition, he championed aid to Britain before America entered the war; initiated and oversaw the War Refugee Board, spearheading the rescue of 200,000 Jews from the Nazis; and became the architect of the 1944 Bretton Woods Conference, which produced the modern economic paradigm. The book also chronicles Morgenthau’s many challenges, ranging from anti-Semitism to the postwar “Morgenthau Plan” that was his undoing. This is a captivating story about an understated and often overlooked member of the Roosevelt cabinet who played a pivotal role in the American war effort to defeat the Nazis.

**THE MORGENTHAU PLAN**

---

**SOVIET INFLUENCE ON AMERICAN POSTWAR POLICY**

---

Algora Publishing The Morgenthau Plan, the Allies' post-war policy that preceded the Marshall Plan, devastated what remained of Germany after the war was officially over. Was this economic idiocy OCo or intentional destruction of a surrendered country? The current work documents how the Morgenthau Plan was designed to completely destroy the German economy, enslave millions of her citizens, and exterminate as many as 20 million people. John Dietrich demonstrates this through countless documented quotes from official sources. What had changed by 1947, and why was the Morgenthau Plan finally rejected, swept under the carpet, and radically reversed? Where are today's professional historians and why is this stunning episode in US postwar policy minimized or ignored?"

**ROOSEVELT AND THE HOLOCAUST**

---

**HOW FDR SAVED THE JEWS AND BROUGHT HOPE TO A NATION**

---

Simon and Schuster The year was 1932. At age fourteen Robert Beir’s journey through life changed irrevocably when a classmate called him a “dirty Jew.” Suddenly Beir encountered the belligerent poison of anti-Semitism. The safe confines of his upbringing had been violated. The pain that he felt at that moment was far more hurtful than any blow. Its memory would last a lifetime. Beir’s experiences with anti-Semitism served as a microcosm for the anti-Semitism among the majority of Americans. That year, a politician named Franklin Delano Roosevelt ascended to the presidency. Over the next twelve years, he became a scion of optimism and carried a refreshing, unbridled confidence in a nation

previously mired in fear and deeply depressed. His policies and ethics saved the capitalist system. His strong leadership and unwavering faith helped to defeat Hitler. The Jews of America revered President Roosevelt. To a young Robert Beir, Roosevelt was an American hero. In mid-life, however, Beir experienced a conflict. New research was questioning Roosevelt's record regarding the Holocaust. He felt compelled to embark on a historian's quest, asking only the toughest questions of his childhood hero, including: • How much did President Roosevelt know about the Holocaust? • What could Roosevelt have done? • Why wasn't there an urgent rescue effort? In answering these questions and others, Robert Beir has done a masterful job. This book is graphically written, well-researched, and provocative. The portrait depicted of a man he once thought to be morally incorruptible amidst a circumstance of moral bankruptcy is truly unforgettable.

---

## **FDR AND THE JEWS**

---

Harvard University Press **A contentious debate lingers over whether Franklin Delano Roosevelt turned his back on the Jews of Hitler's Europe. FDR and the Jews reveals a concerned leader whose efforts on behalf of Jews were far greater than those of any other world figure but whose moral leadership was tempered by the political realities of depression and war.**

## **HEMINGWAY ON THE CHINA FRONT**

---

---

### **HIS WWII SPY MISSION WITH MARTHA GELLHORN**

---

Potomac Books, Inc. **When the U.S Treasury Department hired Ernest Hemingway as a spy in China before the United States entered the war, it awakened a new obsession in America's most adventuresome author. The great literary man of action reveled in being a government operative, while his journalist wife championed the anti-Japanese resistance of Chiang Kai-Shek. Hemingway on the China Front is the first book to track Hemingway's progress as a spy in Asia during the war, defining his duties as he saw fit. Author Peter Moreira follows Hemingway and Martha Gellhorn as they seek stories to file - and try to adapt to each other's strong egos - in dangerous, uncomfortable, exotic places in the throes of war. Well versed in Asian history and culture, Moreira also provides context of time and place.**

### **TERROR, TENSION, AND THE AMERICAN AMBASSADOR'S STRUGGLE TO AVOID PEARL**

---

Simon and Schuster **"The underbrush through which Mr. Paper cuts his way . . . would be challenging for any writer. But Mr. Paper, with an eye for character and an easy narrative style, manages to keep his subject interesting. . . . And even though we know how it's all going to end, Mr. Paper manages to add a measure of suspense to his narrative — a tribute to his abilities as a writer." —The Washington Times This is not just another book about Pearl Harbor. It is the story of Joseph Grew, America's ambassador to Japan, and his frantic effort in the months before the Pearl Harbor attack to orchestrate an agreement between Japan and the United States to avoid the war he saw coming. It is a story filled with hope and heartache, with complex and fascinating characters, and with a drama befitting the momentous decisions at stake. And more than that, it is a story that has never been told. In those months before the Pearl Harbor attack, Japan and the United States were locked in a battle of wills. President Franklin D. Roosevelt's economic sanctions were crippling Japan. America's noose was tightening around Japan's neck — but the country's leaders refused to yield to American demands. In this cauldron of boiling tensions, Joseph Grew offered many recommendations to break the deadlock. Having resided and worked in Tokyo for almost ten years, Grew understood what Roosevelt and his administration back home did not: that the Japanese would rather face annihilation than endure the humiliation of surrendering to American pressure. The President and his administration saw little need to accept their ambassador's recommendations. The administration's policies, they believed, were sure to succeed. And so, with increasing urgency, Grew tried to explain to the President and his administration that Japan's mindset could not be gauged by Western standards of logic and that the administration's policies could lead Japan to embark on a suicidal war with the United States "with dangerous and dramatic suddenness." Relying on Grew's diaries, letters and memos, interviews with members of the families of Grew and his staff, and an abundance of other primary source materials, Lew Paper presents the gripping story of Grew's effort to halt the downward spiral of Japan's relations with the United States. Grew had to wrestle with an American government that would not listen to him - and simultaneously confront an increasingly hostile environment in Japan, where pervasive surveillance, arbitrary arrest, and even unspeakable torture by Japan's secret police were constant threats. In the Cauldron reads like a novel, but it is based on fact. And it is sure to raise questions whether the Pearl Harbor attack could have been avoided.**

## THE DECISIVE NETWORK

---

### MAGNUM PHOTOS AND THE POSTWAR IMAGE MARKET

---

[Univ of California Press](#) Since its founding in 1947, the legendary Magnum Photos agency has been telling its own story about photographers who were witnesses to history and artists on the hunt for decisive moments. Based on unprecedented archival research, *The Decisive Network* unravels Magnum's mythologies to offer a new history of what it meant to shoot, edit, and sell news images after World War II. Nadya Bair shows that between the 1940s and 1960s, Magnum expanded the human-interest story to global dimensions while bringing the aesthetic of news pictures into new markets. Working with a vast range of editorial and corporate clients, Magnum made photojournalism integral to postwar visual culture. But its photographers could not have done this alone. By unpacking the collaborative nature of photojournalism, this book shows how picture editors, sales agents, spouses, and publishers helped Magnum photographers succeed in their assignments and achieve fame. Bair concludes in the late 1960s and early 1970s, when changing market conditions led Magnum to consolidate its brand. In that moment, Magnum's photojournalists became artists and their assignments oeuvres. Bridging art history, media studies, cultural history, and the history of communication, *The Decisive Network* transforms our understanding of the photographic profession and the global circulation of images in the predigital world.

## AMERICAN JEWISH YEAR BOOK 2015

---

### THE ANNUAL RECORD OF THE NORTH AMERICAN JEWISH COMMUNITIES

---

[Springer](#) This Year Book, now in its 115th year, provides insight into major trends in the North American Jewish communities and is the Annual Record of the North American Jewish Communities. The first two chapters of Part I examine Jewish immigrant groups to the US and Jewish life on campus. Chapters on "National Affairs" and "Jewish Communal Affairs" analyze the year's events. Three chapters analyze the demography and geography of the US, Canada, and world Jewish populations. Part II provides Jewish Federations, Jewish Community Centers, social service agencies, national organizations, overnight camps, museums, and Israeli consulates. The final chapters present national and local Jewish periodicals and broadcast media; academic resources, including Jewish Studies Programs, books, articles websites, and research libraries; and lists of major events in the past year, Jewish honorees, and obituaries. For those interested in the North American Jewish community—scholars, service providers, volunteers—this volume undoubtedly provides the single best source of information on the structure, dynamics, and ongoing religious, political, and social challenges confronting the community. It should be on the bookshelf of everyone interested in monitoring the dynamics of change in the Jewish communities of North America. Sidney Goldstein, Founder and Director, Population Studies and Training Center, Brown University, and Alice Goldstein, Population Studies and Training Center, Brown University The American Jewish Year Book is a unique and valuable resource for Jewish community professionals. It is part almanac, directory, encyclopedia and all together a volume to have within easy reach. It is the best, concise diary of trends, events, and personalities of interest for the past year. We should all welcome the Year Book's publication as a sign of vitality for the Jewish community. Brenda Gevertz, Executive Director, JPRO Network, the Jewish Professional Resource Organization

## HOW THE JEWS DEFEATED HITLER

---

### EXPLODING THE MYTH OF JEWISH PASSIVITY IN THE FACE OF NAZISM

---

[Rowman & Littlefield](#) Argues that the Jews played a major role in the defeat of Nazi Germany, showing how they resisted in four key ways: through their leadership role in organizing the defense of the Soviet Union, their influence and scientific research in the United States, their contribution to allied espionage and cryptanalysis and their importance in European resistance movements.

---

## HERBERT H. LEHMAN

---

### A POLITICAL BIOGRAPHY

---

[State University of New York Press](#) The definitive biography of New York State's four-term Governor, US Senator, humanitarian, and Jewish liberal political reformer. This new biography of Herbert Lehman—the first in a half century—fills the void left by historians and political scientists who have neglected one of the truly great liberal icons of the mid-twentieth century. Based on extensive research in archival sources, Herbert H. Lehman restores this four-term Governor of New York, US Senator, national and international humanitarian, and political reformer to his rightful place among the pantheon of liberal heroes of his era. By focusing on Lehman's interactions with Al Smith, Franklin Roosevelt, Harry Truman, Lyndon Johnson, and John Kennedy, Duane Tananbaum shows how Lehman succeeded politically despite his refusal to compromise with his conscience. In his thirty-five years of public service, Herbert Lehman fought the Republicans in the State Legislature to provide economic security for New Yorkers during the Great Depression, and he battled the bureaucrats in the Roosevelt and Truman administrations and the United Nations Relief

and Rehabilitation Administration to feed the starving people in Europe and Asia during and after World War II. His efforts on behalf of "the welfare state," civil rights legislation, and immigration reform helped keep the liberal agenda alive until Congress, and the nation, were ready to enact it into law as part of Lyndon Johnson's Great Society in 1964-1965. Duane Tananbaum is Professor of American History at Lehman College, City University of New York, and the author of *The Bricker Amendment Controversy: A Test of Eisenhower's Political Leadership*.

---

### **ROOSEVELT, TRUMAN AND THE DESTRUCTION OF HITLER'S GERMANY, 1941-1945**

---

Simon and Schuster Based on recently released documents, one of the nation's most celebrated historians reveals one of the little-known secrets of World War II--FDR's and Truman's sometimes shocking plans for a postwar Germany. Reprint. 125,000 first printing.

---

## **THE REPARATIONS CONTROVERSY**

---

### **THE JEWISH STATE AND GERMAN MONEY IN THE SHADOW OF THE HOLOCAUST 1951-1952**

---

Walter de Gruyter This book about the reparations issue ("Wiedergutmachung" in German; "shilumim" in Hebrew) brings together selected protocols of all debates held in the Knesset, in its Foreign Affairs and Security Committee, in the Government and in the high councils of the ruling party Mapai, regarding conducting negotiations with the West German Government. This is the first book documenting confidential protocols lately opened to the public. With the elaborate introduction by Yehiam Weitz, this book will serve as a basic textbook for an important chapter not only in Israeli and German history, but also in post-war history in general.

---

## **THE JEWS SHOULD KEEP QUIET**

---

### **FRANKLIN D. ROOSEVELT, RABBI STEPHEN S. WISE, AND THE HOLOCAUST**

---

U of Nebraska Press Based on recently discovered documents, *The Jews Should Keep Quiet* reassesses the hows and whys behind the Franklin D. Roosevelt administration's fateful policies during the Holocaust. Rafael Medoff delves into difficult truths: With FDR's consent, the administration deliberately suppressed European immigration far below the limits set by U.S. law. His administration also refused to admit Jewish refugees to the U.S. Virgin Islands, dismissed proposals to use empty Liberty ships returning from Europe to carry refugees, and rejected pleas to drop bombs on the railways leading to Auschwitz, even while American planes were bombing targets only a few miles away--actions that would not have conflicted with the larger goal of winning the war. What motivated FDR? Medoff explores the sensitive question of the president's private sentiments toward Jews. Unmasking strong parallels between Roosevelt's statements regarding Jews and Asians, he connects the administration's policies of excluding Jewish refugees and interning Japanese Americans. *The Jews Should Keep Quiet* further reveals how FDR's personal relationship with Rabbi Stephen S. Wise, American Jewry's foremost leader in the 1930s and 1940s, swayed the U.S. response to the Holocaust. Documenting how Roosevelt and others pressured Wise to stifle American Jewish criticism of FDR's policies, Medoff chronicles how and why the American Jewish community largely fell in line with Wise. Ultimately Medoff weighs the administration's realistic options for rescue action, which, if taken, would have saved many lives.

---

## **CHURCHILL, ROOSEVELT & COMPANY**

---

### **STUDIES IN CHARACTER AND STATECRAFT**

---

Rowman & Littlefield During World War II the "special relationship" between the United States and Great Britain cemented the alliance that won the war. But the ultimate victory of that partnership has obscured many of the conflicts behind Franklin Roosevelt's grins and Winston Churchill's victory signs, the clashes of principles and especially personalities between and within the two nations. Synthesizing an impressive variety of sources from memoirs and letters to histories and biographies, Lewis Lehrman explains how the Anglo-American alliance worked--and occasionally did not work--by presenting portraits and case studies of the men who worked the back channels and back rooms, the secretaries and under secretaries, ambassadors and ministers, responsible for carrying out Roosevelt's and Churchill's agendas while also pursuing their own and thwarting others'. This was the domain of Joseph Kennedy, American ambassador to England often at odds with his boss; spymasters William Donovan and William Stephenson; Secretary of State Cordell Hull, whom FDR frequently bypassed in favor of Under Secretary Sumner Welles; British ambassadors Lord Lothian and Lord Halifax; and, above them all, Roosevelt and Churchill, who had the difficult task, not always well performed, of managing their subordinates and who frequently chose to conduct foreign policy directly between themselves. Scrupulous in its research and fair in its judgments, Lehrman's book reveals the personal diplomacy at the core of the Anglo-American alliance.

---

## **THE JEWISH THREAT**

---

Basic Books Very little has been written about America's own history of anti-Semitism. In this shocking book, the first documented examination of anti-Semitism in an American governmental institution, Joseph Bendersky shows that such racism permeated the highest ranks of the U.S. military throughout the past century, having a very real effect on policy decisions. Through ten years of research in more than thirty-five archives, the author uncovered irrefutable evidence of endemic and virulent anti-Semitism throughout the Army Corps from the turn of the century right up to the

1970s. This fully developed and clearly articulated perspective had a direct effect on policy discussions and decisions, affecting such matters as immigration, refugees, military strategy, and the establishment of Israel. Written with novelistic intensity and attention to intriguing detail, *The "Jewish Threat"* forces us to revise some of our cherished notions about our country and its most revered leaders.

---

### **U. S. AND ALLIED EFFORTS TO RECOVER AND RESTORE GOLD AND OTHER ASSETS STOLEN OR HIDDEN BY GERMANY DURING WORLD WAR II**

---

DIANE Publishing This report addresses a vital but relatively neglected dimension of the history of WW II and its aftermath. It documents one of the greatest thefts by a government in history: the confiscation by Nazi Germany of an estimated \$580 million of central bank gold -- around \$5.6 billion in today's values -- along with indeterminate amounts in other assets during WW II. These goods were stolen from governments and civilians in the countries Germany overran and from Jewish and non-Jewish victims of the Nazis alike, included Jews murdered in extermination camps, from whom everything was taken down to the gold fillings of their teeth.

---

### **THE TRIUMPH OF THE DARK**

---

### **EUROPEAN INTERNATIONAL HISTORY 1933-1939**

---

OUP Oxford In this magisterial narrative, Zara Steiner traces the twisted road to war that began with Hitler's assumption of power in Germany. Covering a wide geographical canvas, from America to the Far East, Steiner provides an indispensable reassessment of the most disputed events of these tumultuous years. Steiner underlines the far-reaching consequences of the Great Depression, which shifted the initiative in international affairs from those who upheld the status quo to those who were intent on destroying it. In Europe, the 1930s were Hitler's years. He moved the major chess pieces on the board, forcing the others to respond. From the start, Steiner argues, he intended war, and he repeatedly gambled on Germany's future to acquire the necessary resources to fulfil his continental ambitions. Only war could have stopped him-an unwelcome message for most of Europe. Misperception, miscomprehension, and misjudgment on the part of the other Great Powers leaders opened the way for Hitler's repeated diplomatic successes. It is ideology that distinguished the Hitler era from previous struggles for the mastery of Europe. Ideological presumptions created false images and raised barriers to understanding that even good intelligence could not penetrate. Only when the leaders of Britain and France realized the scale of Hitler's ambition, and the challenge Germany posed to their Great Power status, did they finally declare war.

### **WHILE SIX MILLION DIED**

---

### **A CHRONICLE OF AMERICAN APATHY**

---

Overlook Books Draws attention to the United States' response to the plight of European Jews.

---

### **REFUGE MUST BE GIVEN**

---

### **ELEANOR ROOSEVELT, THE JEWISH PLIGHT, AND THE FOUNDING OF ISRAEL**

---

Refuge Must Be Given details the evolution of Eleanor Roosevelt from someone who harbored negative impressions of Jews to become a leading Gentile champion of Israel in the United States. The book explores, for the first time, Roosevelt's partnership with the Quaker leader Clarence Pickett in seeking to admit more refugees into the United States, and her relationship with Undersecretary of State Sumner Welles, who was sympathetic to the victims of Nazi persecution yet defended a visa process that failed both Jewish and non-Jewish refugees. After the war, as a member of the American delegation to the United Nations, Eleanor Roosevelt slowly came to the conclusion that the partition of Palestine was the only solution both for the Jews in the displaced persons camps in Europe, and for the conflict between the Arabs and the Jews. When Israel became a state, she became deeply involved in supporting the work of Youth Aliyah and Hadassah, its American sponsor, in bringing Jewish refugee children to Israel and training them to become productive citizens. Her devotion to Israel reflected some of her deepest beliefs about education, citizenship, and community building. Her excitement about Israel's accomplishments and her cultural biases, however, blinded her to the impact of Israel's founding on the Arabs. Visiting the new nation four times and advocating on Israel's behalf created a warm bond not only between her and the people of Israel, but between her and the American Jewish community.

---

### **IN THE MIDST OF CIVILIZED EUROPE**

---

### **THE POGROMS OF 1918-1921 AND THE ONSET OF THE HOLOCAUST**

---

Metropolitan Books FINALIST FOR THE NATIONAL JEWISH BOOK AWARD \* SHORTLISTED FOR THE LIONEL GELBER PRIZE "The mass killings of Jews from 1918 to 1921 are a bridge between local pogroms and the extermination of the Holocaust. No history of that Jewish catastrophe comes close to the virtuosity of research, clarity of prose, and power of analysis of this extraordinary book. As the horror of events yields to empathetic understanding, the reader is grateful to Veidlinger for reminding us what history can do." —Timothy Snyder, author of *Bloodlands Between 1918 and 1921*, over a hundred thousand Jews were murdered in Ukraine by peasants, townsmen, and soldiers who blamed the Jews for the turmoil of the Russian Revolution. In hundreds of separate incidents, ordinary people robbed their Jewish neighbors with impunity, burned down their houses, ripped apart their Torah scrolls, sexually assaulted them,

and killed them. Largely forgotten today, these pogroms—ethnic riots—dominated headlines and international affairs in their time. Aid workers warned that six million Jews were in danger of complete extermination. Twenty years later, these dire predictions would come true. Drawing upon long-neglected archival materials, including thousands of newly discovered witness testimonies, trial records, and official orders, acclaimed historian Jeffrey Veidlinger shows for the first time how this wave of genocidal violence created the conditions for the Holocaust. Through stories of survivors, perpetrators, aid workers, and governmental officials, he explains how so many different groups of people came to the same conclusion: that killing Jews was an acceptable response to their various problems. In riveting prose, *In the Midst of Civilized Europe* repositions the pogroms as a defining moment of the twentieth century.

---

## THINKING HISTORY, FIGHTING EVIL

---

### NEOCONSERVATIVES AND THE PERILS OF ANALOGY IN AMERICAN POLITICS

---

[Lexington Books](#) This accessible study critiques the rise of a new exceptionalism: a victim-centered nationalism promoted by American conservatives since the 1980s, borrowing imagery and vocabulary from the civil rights era and political correctness movements of the left. *Thinking History, Fighting Evil* explores the instrumentalization of anti-Americanism and anti-Semitism in the service of U.S. foreign policy, paying attention to how conservatives approach 'far enemies' (Islamism), 'near enemies' (Europe and Latin America), and the 'enemies within' (the domestic left).

---

### THE INEVITABILITY OF TRAGEDY: HENRY KISSINGER AND HIS WORLD

---

[W. W. Norton & Company](#) A new portrait of Henry Kissinger focusing on the fundamental ideas underlying his policies: Realism, balance of power, and national interest. Few public officials have provoked such intense controversy as Henry Kissinger. During his time in the Nixon and Ford administrations, he came to be admired and hated in equal measure. Notoriously, he believed that foreign affairs ought to be based primarily on the power relationships of a situation, not simply on ethics. He went so far as to argue that under certain circumstances America had to protect its national interests even if that meant repressing other countries' attempts at democracy. For this reason, many today on both the right and left dismiss him as a latter-day Machiavelli, ignoring the breadth and complexity of his thought. With *The Inevitability of Tragedy*, Barry Gewen corrects this shallow view, presenting the fascinating story of Kissinger's development as both a strategist and an intellectual and examining his unique role in government through his ideas. It analyzes his contentious policies in Vietnam and Chile, guided by a fresh understanding of his definition of Realism, the belief that world politics is based on an inevitable, tragic competition for power. Crucially, Gewen places Kissinger's pessimistic thought in a European context. He considers how Kissinger was deeply impacted by his experience as a refugee from Nazi Germany, and explores the links between his notions of power and those of his mentor, Hans Morgenthau—the father of Realism—as well as those of two other German-Jewish émigrés who shared his concerns about the weaknesses of democracy: Leo Strauss and Hannah Arendt. *The Inevitability of Tragedy* offers a thoughtful perspective on the origins of Kissinger's sober worldview and argues that a reconsideration of his career is essential at a time when American foreign policy lacks direction.

---

## EXORCISING HITLER

---

### THE OCCUPATION AND DENAZIFICATION OF GERMANY

---

[Bloomsbury Publishing USA](#) The collapse of the Third Reich in 1945 was an event nearly unprecedented in history. Only the fall of the Roman Empire fifteen hundred years earlier compares to the destruction visited on Germany. The country's cities lay in ruins, its economic base devastated. The German people stood at the brink of starvation, millions of them still in POW camps. This was the starting point as the Allies set out to build a humane, democratic nation on the ruins of the vanquished Nazi state—arguably the most monstrous regime the world has ever seen. In *Exorcising Hitler*, master historian Frederick Taylor tells the story of Germany's Year Zero and what came next. He describes the bitter endgame of war, the murderous Nazi resistance, the vast displacement of people in Central and Eastern Europe, and the nascent cold war struggle between Soviet and Western occupiers. The occupation was a tale of rivalries, cynical realpolitik, and blunders, but also of heroism, ingenuity, and determination—not least that of the German people, who shook off the nightmare of Nazism and rebuilt their battered country. Weaving together accounts of occupiers and Germans, high and low alike *Exorcising Hitler* is a tour de force of both scholarship and storytelling, the first comprehensive account of this critical episode in modern history.

---

## TRADING WITH THE ENEMY

---

### AN EXPOSÉ OF THE NAZI-AMERICAN MONEY PLOT 1933-1949

---

## BACKWATER

---

### NOVA SCOTIA'S ECONOMIC DECLINE

---

[Nimbus Pub Limited](#) This hard-hitting but fair assessment of Nova Scotia and the Maritimes will shock and surprise many Maritimers who have been conditioned to think that the east coast of Canada is one of the most liveable regions in the country. Author Peter Moreira, a native Maritimer who returned home after working overseas for more than a decade, offers a straightforward analysis of why the region has fallen so far behind the rest of the country in terms of most economic and social indicators. *Backwater* is not an attack on the place we call home, but rather a wide-ranging and

timely examination of the region's flawed policies and thinking. The book makes bold recommendations for fixing the Maritimes' current problems, citing many leading professionals and politicians in the region, including Nova Scotia premier Darrell Dexter.

---

## **A NATION OF VICTIMS?**

---

---

### **REPRESENTATIONS OF GERMAN WARTIME SUFFERING FROM 1945 TO THE PRESENT**

---

Rodopi The re-emergence of the issue of wartime suffering to the fore of German public discourse represents the greatest shift in German memory culture since the Historikerstreit of the 1980s. The (international) attention and debates triggered by, for example, W.G. Sebald's *Luftkrieg und Literatur*, Günter Grass's *Im Krebsgang*, Jörg Friedrich's *Der Brand* testify to a change in focus away from the victims of National Socialism to the traumatic experience of the 'perpetrator collective' and its legacies. The volume brings together German, English and Israeli literary and film scholars and historians addressing issues surrounding the representation of German wartime suffering from the immediate post-war period to the present in literature, film and public commemorative discourse. Split into four sections, the volume discusses the representation of Germans as victims in post-war literature and film, the current memory politics of the Bund der Vertriebenen, the public commemoration of the air raids on Hamburg and Dresden and their representation in film, photography, historiography and literature, the impact and reception of W.G. Sebald's *Luftkrieg und Literatur*, the representation of flight and expulsion in contemporary writing, the problem of empathy in representations of Germans as victims and the representation of suffering and National Socialism in Oliver Hirschbiegel's film *Der Untergang*.

---

## **HITLER'S ARMED FORCES AUXILIARIES**

---

---

### **AN ILLUSTRATED HISTORY OF THE WEHRMACHTSGEFOLGE, 1933-1945**

---

McFarland The story of Hitler's Wehrmachtsgefolge (armed forces auxiliaries) is less well known than that of Germany's other armed forces in World War II, such as the panzer divisions, the Luftwaffe and the Kriegsmarine. The Organization Todt (construction company), Reichsarbeitsdienst (labor service), Nationalsozialistische Kraftfahrer Korps (driver's corp) and Volkssturm (people's militia) were given the status of armed forces auxiliaries to protect their members under the Geneva Conventions should they be taken prisoner. By 1944, the Wehrmachtsgefolge comprised 40 percent of the German armed forces, and their contribution to the war effort was far from negligible. This illustrated history documents the development, structure and organization, uniforms, regalia and technical data of these units and discusses their role in the war and during the prewar period.

---

---

### **AMERICA AND THE HOLOCAUST, 1941-1945**

---

The classic analysis of America's response to the Nazi assault on European Jews.

---

## **WARBURG IN ROME**

---

---

### **A NOVEL**

---

HMH In post-WWII Italy, an American uncovers a Vatican scandal in a "thriller with deeply serious historical undertones" by a National Book Award winner (Alan Cheuse, NPR, *All Things Considered*). David Warburg, newly minted director of the US War Refugee Board, arrives in Rome at war's end, determined to bring aid to the destitute European Jews streaming into the city. Marguerite d'Erasmus, a French-Italian Red Cross worker with a shadowed past, is initially Warburg's guide—while a charismatic young American Catholic priest, Monsignor Kevin Deane, seems equally committed to aiding Italian Jews. But the city is a labyrinth of desperate fugitives: runaway Nazis, Jewish resisters, and criminal Church figures. Marguerite, caught between justice and revenge, is forced to play a double game. At the center of the maze, Warburg discovers one of history's great scandals: the Vatican ratline, a clandestine escape route maintained by Church officials and providing scores of Nazi war criminals with secret passage to South America. Turning to American intelligence officials, he learns that the dark secret is not as secret as he thought—and that even those he trusts may betray him—in this "complex and compelling novel of the Vatican and morality during World War II" (*Library Journal*). *Warburg in Rome* has "the breathtaking pace of a thriller and the gravitas of a genuine moral center—as if John LeCarré and Graham Greene collaborated" (*Mary Gordon*). "A high-stakes battle between good and evil [and] a plot full of twists and turns." —*The Boston Globe* "A suspenseful historical drama set in Rome at the end of WWII and centering on Vatican complicity in the flight of Nazi fugitives to Argentina." —*Publishers Weekly* "Recommend this utterly engaging thriller to fans of Joseph Kanon's *The Good German* and James R. Benn's *Death's Door*." —*Booklist*, starred review

## THE GERMAN ARMY'S FINAL DEFEAT IN THE WEST

---

[Modern War Studies \(Hardcover\)](#) "Derek Zumbro chronicles this key military campaign from a unique and fresh perspective - that of the defeated German soldiers and civilians caught in the final maelstrom of the war's western front." "Zumbro chronicles the relentless assault on the Ruhr Pocket through German eyes, as the Allied juggernaut battered the region's cities, villages, and homes into submission. He tells of children pressed into service by a desperate Nazi regime - and of even more desperate parents trying to save their sons from sacrifice at the eleventh hour. He also tells of unspeakable conditions suffered by foreign laborers, POWs, and political opponents in the Ruhr Valley and of the mass graves that gave Allied soldiers a grisly new understanding of their enemy." "Zumbro also recounts the story of Field Marshal Walter Model's final hours. His eventual suicide effectively ended the existence of the Wehrmacht's once-formidable Army Group B after being pursued, methodically encircled, and finally destroyed by U.S. and British forces. Through interviews with surviving members of Model's former staff, Zumbro has uncovered the attitudes of beleaguered officers that official records could never convey." "Other interviews with former soldiers reveal the extent to which Allied bombing contributed to the rapid deterioration of German combat effectiveness and tell of civilians begging soldiers to abandon the war. Zumbro's research reveals the identities of specific characters discussed in previous works but never identified, describes the final hours of German officers executed for the loss of the bridge at Remagen, and offers new insight into Model's acquiescence to Hitler in military affairs."--BOOK JACKET.

### THE REMARKABLE LIFE OF FDR'S SECRETARY OF THE TREASURY

---

[Skyhorse + ORM](#) A fascinating exploration of politics from the Great Depression through World War II as seen through the eyes of a Roosevelt technocrat. When the US stock market collapsed in 1929 and again when World War II broke out, the nation turned to Franklin D. Roosevelt and his secretary of the treasury, Henry Morgenthau Jr., for leadership. This book explores the life of this native New Yorker. Born into a prominent Jewish family, Morgenthau became a controversial figure in politics. Although his contributions were integral to social, political, and economic milestones in American history, he grappled with his identity as an American Jew during the atrocities of WWII in Europe. This new biography offers a glimpse of the past and lessons for today. Author Herbert Levy offers an extensively researched life of this important American leader. From thorough research in the archives of Hyde Park to careful study of Morgenthau's letters, Levy delivers an in-depth account of the fascinating life of this remarkable man. This book explores the complex and oftentimes frustrating world in which Morgenthau was forced to live, and illuminates his odyssey as a Roosevelt technocrat.

### COLONIAL ERA TO THE PRESENT

---

[John Wiley & Sons](#) Covers the entire range of the history of U.S. foreign relations from the colonial period to the beginning of the 21st century. A Companion to U.S. Foreign Relations is an authoritative guide to past and present scholarship on the history of American diplomacy and foreign relations from its seventeenth century origins to the modern day. This two-volume reference work presents a collection of historiographical essays by prominent scholars. The essays explore three centuries of America's global interactions and the ways U.S. foreign policies have been analyzed and interpreted over time. Scholars offer fresh perspectives on the history of U.S. foreign relations; analyze the causes, influences, and consequences of major foreign policy decisions; and address contemporary debates surrounding the practice of American power. The Companion covers a wide variety of methodologies, integrating political, military, economic, social and cultural history to explore the ideas and events that shaped U.S. diplomacy and foreign relations and continue to influence national identity. The essays discuss topics such as the links between U.S. foreign relations and the study of ideology, race, gender, and religion; Native American history, expansion, and imperialism; industrialization and modernization; domestic and international politics; and the United States' role in decolonization, globalization, and the Cold War. A comprehensive approach to understanding the history, influences, and drivers of U.S. foreign relation, this indispensable resource: Examines significant foreign policy events and their subsequent interpretations Places key figures and policies in their historical, national, and international contexts Provides background on recent and current debates in U.S. foreign policy Explores the historiography and primary sources for each topic Covers the development of diverse themes and methodologies in histories of U.S. foreign policy Offering scholars, teachers, and students unmatched chronological breadth and analytical depth, A Companion to U.S. Foreign Relations: Colonial Era to the Present is an important contribution to scholarship on the history of America's

interactions with the world.

## THE JEWISH ENEMY

---

Harvard University Press **The sheer magnitude of the Holocaust has commanded our attention for the past sixty years. The extent of atrocities, however, has overshadowed the calculus Nazis used to justify their deeds. According to German wartime media, it was German citizens who were targeted for extinction by a vast international conspiracy. Leading the assault was an insidious, belligerent Jewish clique, so crafty and powerful that it managed to manipulate the actions of Roosevelt, Churchill, and Stalin. Hitler portrayed the Holocaust as a defensive act, a necessary move to destroy the Jews before they destroyed Germany. Joseph Goebbels, Minister of Propaganda, and Otto Dietrich's Press Office translated this fanatical vision into a coherent cautionary narrative, which the Nazi propaganda machine disseminated into the recesses of everyday life. Calling on impressive archival research, Jeffrey Herf recreates the wall posters that Germans saw while waiting for the streetcar, the radio speeches they heard at home or on the street, the headlines that blared from newsstands. The Jewish Enemy is the first extensive study of how anti-Semitism pervaded and shaped Nazi propaganda during World War II and the Holocaust, and how it pulled together the diverse elements of a delusionary Nazi worldview. Here we find an original and haunting exposition of the ways in which Hitler legitimized war and genocide to his own people, as necessary to destroy an allegedly omnipotent Jewish foe. In an era when both anti-Semitism and conspiracy theories continue to influence world politics, Herf offers a timely reminder of their dangers along with a fresh interpretation of the paranoia underlying the ideology of the Third Reich.**
