How to Restore Norton Commando

Veloce Publishing **This How to Restore Norton Commando manual is aimed at owners and enthusiasts of the legendary Norton Commando, and covers all areas of restoration from the sourcing of the bike to its completion as a fully restored machine. Starting with advice on the different models, spares availability and where best to source a bike to restore, the book then covers the complete dismantling and restoration of the bike. Describing the engine, frame, gearbox, wheels, suspension and forks, brakes, ancillaries, bodywork, and electrics, the text is illustrated with hundreds of clear colour photos. What really sets this manual apart is the style in which it is written: not as some dull and distant workshop manual but in a friendly, humorous manner by an enthusiast of many years who is able to involve and entertain the reader, as well as providing a thorough and detailed restoration guide. This is the fourth restoration guide from an author whose previous works have been a massive hit with mechanics, enthusiasts and restorers throughout the world.**
